BEEB OFFER HOLLYWOOD TOP GEAR TO STAY

PETROLHEAD: Hollywood

PAUL Hollywood could be made the next presenter of *Top Gear* as the BBC bids to stop him moving to Channel 4 with *The Great British Bake Off*.

It is rumoured that the 50-year-old, who is a self-confessed 'petrolhead', is being primed to join the motoring show as a way of keeping him with the Corporation.

He has previously fronted a one-off BBC show about Aston Martins – and said earlier this year that he would be doing 'more car programmes' in future.

Only last weekend, he raced at the British GT Championship, further adding to his car smart credentials.

By COLIN HURST
news@sundaysport.co.uk

But the BBC insists there are 'no plans' to alter the line-up on *Top Gear*, even though Chris Evans left after one series.

Shock

And sources close to Hollywood suggest he is keen to stay on as a *Bake Off* judge and is in talks with Channel 4.

The future of *Bake Off* has been thrown into turmoil following the shock announcement that the BBC has lost the rights to the show.

And Channel 4, which reportedly paid £75million for a three-year contract, would expect to easily make back its investment with advertising sales, even if the new version only attracts a fraction of the show's current audience.

After presenters Mel Giedroyc and Sue Perkins said they would be stepping down from the series, *Bake Off* fans have been growing increasingly desperate for Hollywood and Mary Berry to reveal whether they will stay on as judges.

10.3m are still cake suckers...

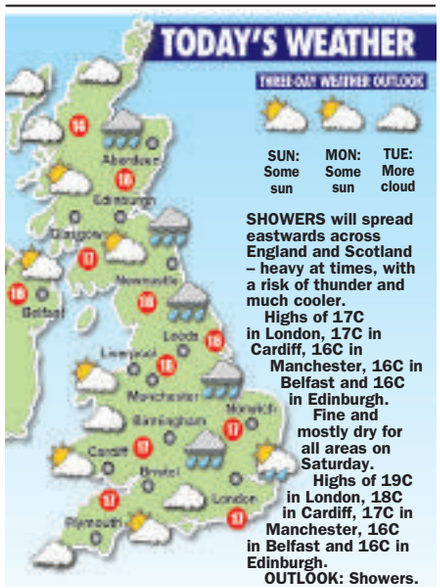
THE latest episode of *The Great British Bake Off* was watched by 10.3 million viewers on Wednesday night – the best figure since this year's launch show.

The new series – the last before *Bake Off* heads to Channel 4 without presenters Sue Perkins and Mel Giedroyc – kicked off with an average of 10.4m viewers.

But the peak figure for Wednesday night's instalment was 11.3m, even bigger than the 11.2m for the series debut.

Around 15m viewers watched as Nadiya Hussain was crowned winner in 2015.

The figures come as the head of Channel 4 promised fans of the show that *Bake Off* will have a "safe home" on the channel, despite complaints from viewers.



SHOWERS will spread eastwards across England and Scotland – heavy at times, with a risk of thunder and much cooler.

Highs of 17C in London, 17C in Cardiff, 16C in Manchester, 16C in Belfast and 16C in Edinburgh.

Fine and mostly dry for all areas on Saturday.

Highs of 19C in London, 18C in Cardiff, 17C in Manchester, 16C in Belfast and 16C in Edinburgh.

Rylan hit with Posh chat ban

SPICE Girls superfan Rylan Clark-Neal was heartbroken after ITV bosses BANNED him from interviewing Victoria Beckham.

Showbiz presenter Rylan was devastated when he found out live on air that he hadn't been asked to chat to the 42-year-old fashion designer.

Rylan, 27, who shot to fame on *The X Factor*, looked gutted as hosts Eamonn Holmes and Ruth Langsford announced that a pre-recorded interview with Posh Spice would instead be shown on *This Morning*.

He said: "What? Why wasn't I told about this? Who went and spoke to her?"

Eamonn and Ruth rubbed salt into the wound when they told Rylan the decision had been made to keep him in the dark after he embarrassed himself previously by stalking Emma Bunton.

Ruth, 56, said: "We can't tell you everything because the last time Emma was here you stalked her.

"That's why we couldn't tell you the exact date."

Single Olly well up for Tinder!

POP star Olly Murs has admitted he has been tempted to join dating app Tinder after some romantic DISASTERS.

Murs, 32 (*above*), who split from ex-girlfriend Francesca Thomas 12 months ago, said he has started dating after pouring his feelings about the break-up into his new music.

He said: "I've never really written about personal things before.

"I have touched on it but a lot of songs I've written have always been happy, feel-good tracks."

He added: "I haven't tried any apps. I've been tempted to go on Tinder – just for the craic – and see what happens.

"I've been dating…it's been interesting…if they're in it and just going out with me to be famous, I'm a pretty good judge of character. But I've had a couple of strange dates."

Emily Bloom frees her nipples (...again!)

WELL, that's one way to get people's attention – as model and activist Emily Bloom whipped out her huge boobs to campaign for gender equality in New York.

The 23-year-old glamour girl donned an unusual cropped jacket, which showed off her jaw-dropping 32Cs.

Emily stunned onlookers as she took to the streets to record a video in support of the 'Free the Nipple' movement.

The footage was recorded by photographer Petter Hegre, who said: "In the land of the free, bare breasts will get you handcuffed – and not in the way you would hope.

"So the 'Free the Nipple' movement was created."

And while some people were shocked when they clocked an eyeful of Emily's assets, others cheered and applauded her nudity.

One onlooker said: "I'd love to see more dames get their busters out. Hell, yeh!"

MUM & GRAN JAILED OVER PITBULL BABY KILLING

They kept dog in crate and never walked it

By ALEXANDER BRITTON
news@sundaysport.co.uk

CAGED: Gran Susan Aucott

THE mum and gran of a six-month-old baby who was mauled to death by an American pitbull have been jailed.

The dog, named Bruiser, picked up Molly Mae Wotherspoon by her head and launched a "sustained attack" at her home in Daventry on October 3, 2014.

The child suffered a catalogue of injuries including a fractured skull and bites to all four limbs, and died of blood loss.

Northampton Crown Court heard that Molly Mae was being looked after by 56-year-old Susan Aucott while her mother, Claire Riley, 23, went for a night out with friends.

The dog escaped from its cage in the kitchen and opened the door to the living room, where Molly Mae was on a changing mat.

Prosecutor James House said: "He was an aggressive and dangerous dog and should not have been left in the house with a person who could not control him.

"The attack was sustained. Susan Aucott simply was unable to bring Bruiser under control or remove Molly Mae from the situation."

Aggressive

One vet who had previously seen Bruiser described him as "one of the most aggressive dogs she had ever seen", Mr House added.

Aucott, who admitted being in charge of a dangerously out of control dog, was sentenced to two years in prison.

Riley, also from Northampton, was sentenced to two years in prison after admitting owning a dangerously out of control dog.

Mrs Justice Carr QC said: "This was a tragic and totally avoidable incident."

Speaking after the sentencing, James Allen, head of the Complex Casework Unit for the CPS East Midlands, said: "Molly Mae's death was a tragedy for all concerned.

"Sadly, the simple truth is that her death in October 2014 was entirely avoidable.

"Molly Mae's death would not have happened if two of the people closest to her had acted, as any reasonable person would have done, and never allowed such an aggressive and dangerous dog to be in the same small house as a young and vulnerable child."

Ian's taxes are in a Wright mess

FORMER England footie ace Ian Wright admits he is struggling with tax woes as a result of poor financial advice at the height of his career.

The BBC pundit said he has been advised to declare himself bankrupt, although he refused out of fear he will never recover.

Wright, 52, said he is "at the complete mercy of HM Revenue & Customs", as he deals with the consequences of leaving his financial affairs to dubious advisers who targeted him and fellow professionals in 1990s.

Having once been the owner of "eight or nine" properties he was left with just one house that he bought for his mum.

The former Arsenal and Crystal Palace striker revealed his worries in an upcoming autobiography.

He said: "The only serious cloud in those skies is the income tax issues that have been with me for a while now.

"There's a whole generation of footballers out there who are in the same boat and were wrongly advised.

"The financial advisers that appeared around the 1990s took our money but never paid the tax."

'Racist abuse' girls thrown off flight

FOUR women were thrown off a flight from Manchester to Ibiza after allegedly shouting racist slurs and threats at fellow passengers following a row over Nike trainers.

Four groups of passengers asked to switch seats to get away from the group of 18-25-year-olds, prompting others – including the captain – to call the police.

The incident took place on a Monarch flight to the party island on Tuesday evening and photos of the women were posted all over social media.

Amber Ferguson, 25, who was on the flight, said: "They delayed our plane to Ibiza…they've been racist, making rude comments and threatening people!"

Police said no arrests were made and no further action will be taken.

We can nearly see the Lott, Pixie!

POP pertlet Pixie showed off a whole LOTT more than she'd bargained for when she flashed her pants in the street.

The 25-year-old singer made the most of the hot weather as she stepped out in a blue crop top and yellow skirt, which was open to the CROTCH.

And Pixie – real name Victoria Lott – gave us a glimpse of her matching striped knickers, too, as the revealing split in her skirt gaped wide open.

The blonde scorcher is currently starring as Holly Golightly in a West End production of *Breakfast at Tiffany's*.

NURSE 'BOOB FLASH AND ORAL SEX TO PERK UP PATIENT'

DENIAL: Julie Porthouse at the hearing

She denies affair at tribunal

A NURSE accused of baring her breasts and performing sex acts on a patient said yesterday she was just trying to provide him with emotional support.

Julie Porthouse denied claims she exposed her breasts, showed off her tattoo on her lower back and gave the man ORAL SEX after visiting him at his home.

She also denied leaving an earring behind in his bedroom.

The community psychiatric nurse was working for Hertfordshire Partnership NHS Foundation Trust at the time of the alleged affair between May and September 2012.

Porthouse told the Nursing and Midwifery Council she wept after she was accused of having the affair by her manager Heather Meek, who asked: "Where have you been… out gallivanting?"

At the time Porthouse said she told Ms Meek she had been in the assessment clinic.

Gossip

Ben Rich, defending, asked: "Why didn't you say you were with this man?"

Porthouse replied: "I don't know, I can only think she was asking about the whole day."

Another colleague, Merlina Spring, told her: "There's gossip in the team that you are having an affair."

Porthouse said: "I was totally shocked. I said, 'You think all this time I have been out having an affair? Why? Because you couldn't see where I am and my dress style has improved?

"I said something along the lines of, 'That's quite slanderous'.

"I've been sitting across from a paranoid schizophrenic. I haven't been doing anything other than that.

"I felt extremely emotional. I started to cry and I said, 'I'm going to go home now'."

The next day Ms Spring told her to cancel her next appointment with the man.

Rebecca Richardson, for the NMC, asked: "Did you ever want to make the patient feel attractive?

Porthouse said: "No, our relationship was never on a sexual level."

Discussing a home visit Porthouse made to the patient, Ms Richardson asked: "This progressed to the bedroom?"

Porthouse said: "No, that never happened."

Excessive

Ms Richardson added: "This went further, you masturbated him and gave him oral sex. You also exposed your breasts and that's how he became aware that you had a tattoo on your lower back.

"That's also how you left an earring – that's how it came to be in his bedroom."

Porthouse said: "That's not true."

She admits excessive contact with the man, but denies all other charges.

Hearing continues.

Baywatch babe's music vid strip teaser...

FACED with the challenge of picking a fit woman to strip off in your music video, few are better suited than Charlotte McKinney.

The busty *Sports Illustrated* model bagged the star role in the video for *I'm Not The One,* by American artist Pete Yorn.

Baywatch actress Charlotte, from Orlando, Florida, parades her assets in a series of skimpy outfits, including sexy lace lingerie and a white t-shirt and knickers.

The 23-year-old, who discovers a creepy hidden camera filming her in the bedroom, also ditches her clothes and teases viewers with a slight flash of her famous 32F norks.

WE didn't think Amber Rose could reveal any more about her sex life – until she made her most SHOCKING confession yet.

Never one to shy away from discussing her bedroom antics, the former stripper *(below)* proudly admitted that she loves to masturbate in front of the mirror.

On her brand new podcast, 'Loveline with Amber Rose', the 32-year-old was asked what she would recommend as an alternative to making a sex tape.

In an extremely blunt answer she replied: "Masturbate in front of the mirror – I'm the queen of that.

"I highly suggest it by the way. It's fking amazing."**

Amber shot to fame after she began dating Kim Kardashian's hubby Kanye West back in 2008.

Nice puppies, Louise!

***BIG Brother* babe Louise Cliffe was pictured taking her dog for a walk – and she let her very own puppies catch some air as well.**

In pictures we're sure weren't set up at all, the busty babe almost popped out of her pink gym vest as she took a break from working out in the park.

The 29-year-old's pet pooch took a prime spot on Louise's chest – a spot plenty of men would no doubt love to take up – as the former glamour girl showed off her impressive cleavage.

JESS & BECCA

SHOWBIZ HOTTEST GOSSIP GIRLS

EDITED BY JESS GALLEY AND BECCA STUBBS

Quinn movie just the jobbie for Robbie!

HOLLYWOOD megababe Margot Robbie is set to star in her own Harley Quinn spin-off movie.

The 26-year-old actress has signed a deal with Warner Bros to take her depiction of villain Harley Quinn that little bit further.

As the stand-out performer in this summer's *Suicide Squad*, Margot has been richly rewarded.

Not only will the Aussie hottie play the leading lady, she's also going to co-produce the much anticipated box office film.

Alongside Jared Leto's unusual method acting skills, Margot's depiction of Harley Quinn was one of the most discussed topics following the release of DC's super villain mash-up, *Suicide Squad*.

Speaking about her character, Margot said: "I'm not done playing that character and there's so much more to do with her."

Harley Quinn is a criminal psychologist turned psychopath thanks to the Joker – but it's her outfit which hits all the right notes.

Despite the Australian actress not stripping off, the tiny leather hotpants and croptop teamed with pigtails makes Harley Quinn every geek's fantasy.

Margot started out in Australian soap *Neighbours*, where she played Donna Freedman from 2008 through to 2011.

Boobs

However, she's arguably most famous for getting her kit off in 2013 blockbuster *The Wolf of Wall Street* (main pic), where she played Leonardo DiCaprio's wife.

Flashing her fanny and boobs while wearing stockings and high heels is the moment that catapulted her into stardom.

Since then she's starred alongside Will Smith in *Focus* and with Alexander Skarsgard in *The Legend of Tarzan*.

Taylor's havin' a hot flash

SURELY more men would be interested in fashion if all models flashed as much flesh as gorgeous Taylor Hill.

The 20-year-old Victoria's Secret scorcher flaunted her bare norks and long legs as she modelled Alexander Wang's latest collection at New York Fashion Week.

American beauty Taylor *(right)* paraded down the catwalk in a see-through top, which showed off her perky nips, a pair of black shorts and a sleeveless jacket.

Kim K's 1,500 selfies a day!

REALITY TV A-lister Kim Kardashian has revealed she took 6,000 selfies in just FOUR days.

The curvy star took over sister Kendall Jenner's mobile app to reveal the true extent of her selfie addiction.

On a recent family holiday to Mexico, Kim confessed she hardly spent any time in the sun – because she was too busy snapping sexy pictures of herself.

Kim jetted off to the luxurious Mexican resort of Punta Mita with her two children – North, three, and nine-month-old Saint – in August.

However, she can't have spent much time with her brood as she took over 6,000 selfies – that's 1,500 selfies A DAY.

In the online post titled 'Kim Digits: The Breakdown of My Mexico Vacation', she also revealed she took nine bikinis on the trip and claimed she'd clocked up just four hours on the beach with her kids.

Mum-of-two Kim, who is married to Kanye West, is a regular user of social media site Instagram and even has her own book titled *Selfish*, which is full of photos of herself.

Having recently lost 70 pounds after giving birth to son Saint, Kim is proudly showing off her incredible weight loss in a series of revealing pictures – all 6,000 of them.

Love Island babe's sex on the beach!

ROMP: Hannah and ex Jon Clark

REALITY scorcher Hannah Elizabeth has revealed her secret PUBLIC SEX past.

The busty beauty queen, 26, confessed she attracted a crowd when she stripped off and ROMPED with a former lover on a beach.

Scouse babe Hannah is no stranger to romping in front of an audience though, after she got jiggy with former fiancé Jon Clark on ITV2 show *Love Island*.

She said: "I had sex in public with an ex... a few times!

"Looking back, I can't believe some of the stuff we did.

"Once, we were doing it on a beach and I think the people who were walking past just thought we were drunk!"

And it's no surprise that Hannah is a bit of an exhibitionist, as she admitted she loves nothing more than ditching her clothes and parading around naked.

Soulmate

The 32G scorcher is currently dating George Andretti after she broke off her engagement to *TOWIE* star Jon Clark, who she fell for on the ITV2 dating show.

Hannah has described her new beau as her "soulmate" who "saved me".

Paedo Rolf rushed to hospital

JAILED paedophile Rolf Harris has been taken to hospital with suspected blood poisoning.

The disgraced former television presenter and children's entertainer, 86, was taken from his cell at HM Stafford Prison, Staffordshire, and rushed to a local hospital.

In 2013, Harris was arrested for historic sex abuse allegations. He was jailed for almost six years in 2014 after being found guilty of 12 counts of indecent assault.

His attacks were all on young girls and even included his daughter's best friend, who suffered a 16-year campaign of abuse from the age of 13.

Harris was said to be a 'Jekyll and Hyde' character who used his fame to entrance underage fans before abusing them.

Harris, who was stripped of his CBE, faces a new trial in January over charges of indecently assaulting seven more women and girls between 1971 and 2004, which he denies.

Sky breakfast is all about Mee

SARAH-JANE Mee will take over the reins from Eamonn Holmes as the new anchor for Sky News' flagship breakfast programme *Sunrise*.

She will be joined by new co-host Jonathan Samuels, currently the senior correspondent for Sky News, as well as sports presenter Jacquie Beltrao and weather presenters Isobel Lang and Nazaneen Ghaffar.

Mee said she is "so excited" to be taking over from Holmes and that the appointment is "a real honour".

She said: "I feel privileged that I will be starting the day with *Sunrise* viewers.

"Live news is always such a thrill. You never know where the morning will take you and I look forward to finding out."

Holmes is stepping down as *Sunrise* lead anchor after 11 years.

GREAT BRITISH BONK OFF!

Mel & Sue lesbo movie shock!

BIG DEAL: Sue and Mel are targets for new porn film

BAKE OFF stars Mel Giedroyc and Sue Perkins have been offered a jackpot deal to star in an X-RATED skin flick.

By BECCA STUBBS
becca@sundaysport.co.uk

The hosts of the hit BBC show could be in line for a £150,000 pay day if they accept the deal from top UK porn producer Television X.

Earlier this week Mel, 48, and Sue, 46, announced they were quitting *The Great British Bake Off* after the current series, following a controversial deal to move the show from the Beeb and on to Channel 4.

But porn bosses have offered the pair a new career and we can reveal the deal includes PUSSY LICKING and bum fun.

A letter sent to the presenters' agents reads: "Television X have been long-time fans of the work of Mel and Sue. We have always thought the pair would make great pussy lickers!

"We have a few ideas we would like to put to them – a five-part lesbo series which will see the two exploring each other's pussies and bumholes.

"They are more than welcome to get creative and share some of their own ideas with us."

Suggested titles for the porno include *Mel & Sue: In The Pink and in The Poo* and *Mel & Sue's Soggy Bottom Bonanza*.

Adult movie bosses want to follow the success of their other bake-off based film, *The Great British Bonk Off*.

Lesbo Sue dates *Naked Attraction* presenter Anna Richardson.

Mel however, is married and has two children.

X FACTOR SEX ORGY OUTRAGE

THAT'S A NO: Judges never got to see Kat *(below)*

Shock at hooker's £100-a-head offer

***X FACTOR* wannabes were banned from attending a kinky SEX ORGY after the auditions stage in Manchester.**

Thousands of fame-chasing singers turned up to Old Trafford Cricket Club in the city in a bid to impress Simon Cowell and his fellow judges.

But one would-be star was kicked out of the auditions before she got to sing – because she was handing out flyers inviting people to a sex party.

Punters

The invites were to take part in a huge orgy with £1,500-a-night hooker Kat Lee.

And when *X Factor* bosses got wind of what Kat was up to, they threw her out of the audition.

A pal of Kat said: "She was there on a double mission – to become a singing star and to grab a few punters.

"She was asking people to pay for a £100-a-head orgy with her at a nearby hotel.

"But after she handed a few flyers out, the bouncers caught her and booted her out.

"Producers on the show warned that anyone who attended the orgy would not be eligible for the show.

"But I think she got a few takers from people who had been rejected."

GO66BLE is too hard to swallow

SPOILSPORT car bosses have banned a series of new '66' registration plates – as they're TOO RUDE.

Officials at the DVLA came up with a blacklist of combinations they refuse to issue when the new plates were introduced this month.

The vetoed list includes BU66ERS, DO66ERS, OR66ASM and GO66BLE – which could all be linked to red-hot sex acts.

And it's not just shagging enthusiasts the Swansea-based licencing authority have clamped down on.

They have also ruled out words linked to violence – including MU66GER and DA66GER.

The DVLA draws up a list of banned plates whenever the latest age identifier numbers come out.

WOMAN IN 'ROUGH SEX THREESOME' AT REDFORD FILM FEST

COUPLE: Hardcastle and Taylor (*above*) approached woman at film fest founded by Robert Redford (*right*)

A GLAMOROUS couple have been charged with forcing a girl into rough sex that left her battered and bruised after the Sundance Film Festival.

By COLIN HURST
news@sundaysport.co.uk

It's reported that Anne Hardcastle, 27, and Michael Taylor, 45, met the woman while they were in Utah for January's film event.

Court papers claim Taylor bought three rounds of tequila as the pair chatted the woman up and then invited her to an after-party at the film fest founded by Hollywood legend Robert Redford, 80.

The couple said they needed to detour to their hotel room where they gave the woman more booze and Ecstasy and suggested a threeway.

The victim said she texted a pal saying she might need a ride home but before she could escape everything "went black", she said.

She claims she woke up next to Hardcastle with scratch marks all over her upper body, suction marks on her neck, bruises and bite marks on her arm, a bitten lower lip and acute vaginal pain.

The victim headed to a nearby hospital and also found an Instagram friend request from Hardcastle.

Detectives told her to find out all she could of that night through Hardcastle, who it is claimed admitted she molested her, performed oral sex on her and licked her breasts.

"You said you liked it rough and so I gave you what you wanted," Hardcastle told the victim in one message, prosecutors claim.

The New York couple have since been arrested and are being held without bail, awaiting extradition to Utah.

TPT: Men treat me more like an ATM!

FED-UP rich girl Tara Palmer-Tomkinson has confessed that she is sick of callous fellas using her just for her MONEY.

The 44-year-old former 'it girl' – who has previously battled drink and drugs issues – revealed she has been treated like a cash machine by blokes who were only interested in her bank balance.

Tara, who is also known by her initials TPT, said: "My initials may be TPT, but they could probably be ATM."

When asked what she most desired, Tara said: "The ultimate man who absolutely adores me and actually married me for no other reason than love."

Tara has previously dated the likes of Duran Duran musician Nick Rhodes and Greg Martin – the son of Beatles producer Sir George.

You should be dancing, Barry

BEE GEES legend Barry Gibb will perform at the first results show for *Strictly Come Dancing*.

The 70-year-old, who is set to release new solo album *In The Know* next month, will make his *Strictly* debut as a singer on October 2.

The show tweeted that viewers could expect "Sunday night fever".

Gibb is the sole survivor of the Bee Gees after the deaths of brothers Robin and Maurice.

Their hit songs include *Stayin' Alive* and *You Should Be Dancing*.

Olly Murs and Rebecca Ferguson performed at the launch show – which saw the celebs paired with their dancing partners – earlier this month.

RANDY HANDY JEMMA

She admits: I fingered myself on TV show

BEACH SEX ACT: Jemma's shocking confession

By JESS GALLEY
jess@sundaysport.co.uk

INKED reality star Jemma Lucy confessed to FINGERING herself in the *Ex On The Beach* villa.

The former glamour model admitted she pleasured herself in the Thai villa during filming for the MTV dating show.

Jemma, 28, made the shocking revelation in the latest episode of EOTB during a racy drinking game of 'I Have Never' with her cast mates.

Geordie hunk – and Jemma's ex – David Hawley said: "Never have I ever had a wank in the villa."

And tattooed beauty Jemma took a sip of her drink as she admitted she had treated herself to a bit of self-loving while she'd been in the villa.

She giggled and said: "Oops."

But none of the blokes owned up to pulling their puds during their time on the show.

Feisty

Jemma – who romped with GazBeadle in the first episode – admitted she was still in love with ex Hawley.

The feisty reality star ended up rowing with Olivia Walsh after they both admitted they'd touched Gaz's cock – though Olivia refused to admit she'd bonked the *Geordie Shore* star.

Olivia admitting getting jiggy with Gaz, but insisted she hadn't shagged the 28-year-old lothario.

Jemma lashed out: "Olivia's lying. I'm taking all the guilt for getting with Gaz and she's sat there like a little princess.

"Olivia had the tip in. What is the difference, babe? Look it up in the dictionary, its called sex.

"You've had the same dick as me, admit it!"

Olivia said: "She's trying to make out we've had sex. But why do I have to explain how many seconds his dick's been inside of me."

Hooters & the ladies!

Hooten & The Lady, Friday, Sky 1, 9pm

OPHELIA LOVIBOND

JANE SEYMOUR

KIERSTON WAREING

SKY TV gets all sexy with new drama *Hooten & The Lady* – which stars all of THESE busty beauties!

The adventure-filled drama follows two people as they travel the world in an attempt to track down lost treasure.

But judging by these saucy topless and nude images, there are plenty more hidden treasures to be found – as four of its female stars have previously flashed the flesh on screen.

Stripping

Despite them not stripping off in the new show, they have all shown off their assets in the past and we dug out these saucy snaps to prove it.

Ophelia Lovibond, 30, plays the new show's leading female character, Lady Alexandra.

But eagle-eyed viewers may remember her with less clothes on in ITV mini-series *The Poison Tree*.

Playing a smaller part in the upcoming adventure series is Kierston Wareing, 40, whose banging boobs show why she shouldn't be missed!

The ex-*EastEnders* actress went topless during a shower scene for her part as Kate in gritty crime movie *The Fall of the Essex Boys*.

And Bond girl Jane Seymour, 65, also makes an appearance in the new Sky series.

She previously got her baps out in 1988 Spanish film *The Tunnel* where she played Maria Iribane who has an affair with an artist.

Finally thesp Jessica Hynes, 43, stripped off all her clothes for the comedy *Four Last Songs* in 2007.

Catch *Hooten & The Lady* on Fridays at 9pm on SKY 1.

Tranny soldier calls off hunger strike after new fanny promise

A YANK soldier has ended her hunger strike after the Army agreed to give her a new FANNY.

Arrested as Bradley Manning for passing data to WikiLeaks, the 28-year-old now lives as a woman called Chelsea Manning.

The soldier began her hunger strike last Friday, claiming the US government were denying her treatment for gender dysphoria.

But the Army have now relented and have granted the imprisoned soldier gender transition surgery – which will see her original dick transformed into a full-on minge.

Chelsea, as she is now known, is serving a 35-year sentence at the Fort Leavenworth military facility in Kansas, US.

She was convicted of leaking more than 700,000 secret files to online site WikiLeaks after having worked as an intelligence analyst in Iraq.

You gotta laugh!

ISN'T it funny how the heavier a woman gets, the easier she is to pick up.

Joan's sticky boob hell on honeymoon

DAME Joan Collins has admitted she relies on GAFFER TAPE to keep her boobs looking perky.

The 83-year-old actress (*above*) said she used the heavy duty tape to stick her norks in place when she wed husband number five, Percy Gibson.

Dynasty legend Joan said she stuck the tape to her knockers to make sure they didn't make an unexpected appearance during the ceremony in 2002.

She said: "I had this gorgeous dress that was made by Nolan Miller. It was very tight, and Nolan said, 'I think you need to pull up your bosoms'.

"So we got some gaffer tape and put it under here and there.

"We went up to the honeymoon suite at Claridge's and my maid of honour helped me out of my dress.

"I had this beautiful negligee I was going to wear and I said, 'Oh God, look at this stuff here…take it off!'

"She went 'swoosh', and I went 'Argh!'"

You gotta laugh!

I'VE got an awful new job, crushing fizzy drink cans – it's soda pressing.

Mosque arson suspect facing 30 years in jail

A MAN has been arrested and is facing a charge of arson and hate crime over a fire at a mosque that Orlando nightclub gunman Omar Mateen attended.

Joseph Schreiber, 32, was arrested in Florida on Wednesday afternoon and was being interrogated by investigators looking into the fire set late on Sunday at the Islamic Centre of Fort Pierce.

Major David Thompson of the St Lucie County Sheriff's Office said Schreiber was held on a street in Fort Pierce by authorities acting on tips from members of the public and aided by local CCTV footage.

He said the arson charge, coupled with a hate crime enhancement under Florida law, carries a sentence of up to 30 years in prison.

The fire was set on Sunday on the 15th anniversary of the 9/11 terror attacks and the blaze also coincided with the Muslim holiday Eid.

Webcam stripping paid my uni fees!

AMY Briggs has a good grasp with figures in her job – and she used to show hers off by getting NAKED for men online!

The 26-year-old revealed how she paid for her university course by stripping off online.

Amy spent three years talking FILTHY to her 100 plus webcam clients and getting them off – raking in nearly £30,000!

Now she's a fully qualified accountant and confessed it was all worth it.

Here she tells the *Weekend Sport* why she has no regrets...

"I HAD always wanted to go to university but my parents were pretty poor and the £7,000-a-year in course fees were really off-putting.

I didn't want to exhaust myself studying full-time for a degree and working all night in a bar.

So when I got chatting to a girl from college, who told me she'd earned a stack of quick cash from doing saucy webcam work, I knew this was the answer to my prayers.

When I started uni, I used to get home from lectures and change into something skimpy, after having invested in a range of kinky outfits.

I had everything from your simple-but-sexy lacy lingerie sets with stockings and sussies, to a naughty nurse's uniform, French Maid, cowgirl, military, policewoman, cheerleader and even dominatrix.

I logged on and it showed me as 'available' and then I just waited for a client to pop up.

I genuinely enjoyed my work as a webcam girl, meeting all kinds of people and having banter while turning guys on!

Many wanted me to talk through what I would do to them while they pleasured themselves – I would describe my best blowjob for example while simulating it with a dildo.

I did whatever they wanted me to do, but I would always tease them a little first.

Pleasure

If they asked me to strip off, I would show them a little peek of my nipple first then hide it away. But I always delivered the goods in the end!

I have always had a dirty mind and talking filthy just came naturally to me. I love sex and I think that used to come through on the webcam.

Men loved to watch me touch myself and I've never been shy to pleasure myself and use sex toys in the bedroom.

At first I thought it was a little intimidating, but I soon got used to it and it's only what I would do to myself in private... but this way I was getting enjoyment and I got paid!

I had some unusual requests, too. One guy just wanted to watch me smother myself in baked beans and another asked me to talk like a robot. I don't judge – each to their own!

Lots of men have fetishes about feet and they loved to see me playing with my toes.

Some asked me to be subservient and liked to boss me about while others wanted me to dress up in my latex gear with a whip and talk degrading filth to them.

Whatever the client wanted they got. And my attitude always brought me a lot of repeat customers.

I feel very comfortable in my own skin and I think we're too uptight in this country about sex and sex-related issues.

What I did on the webcam wasn't harming anyone, in fact it only brought pleasure.

I've finished my degree course and I now earn £20,000 as a trainee accountant. Once fully qualified, accountants can earn up to £50,000 plus, so I feel it's all been worthwhile.

I'm not ashamed of what I've done. If my employers have a problem with my past then they're not the type of company I want to work for.

I've not done any webcam work for a while now, and consider myself retired from it, but I love the money and personal skills it's brought me over the years.

I'm not afraid to still use my assets – whether that's using my body or my brain!"

POLDARK BABE TAKES THE P*SS!

POTTY MOUTH: Icelandic actress Heida

STUNNING Poldark star Heida Reed accidentally SWORE during a *This Morning* interview.

The brunette actress, who plays Elizabeth in the popular BBC drama, was chatting to hosts Holly Willoughby and Phillip Schofield about filming on location in Cornwall.

And as Heida was talking about her filming schedule she said she missed the recent hottest day of the year.

The 25-year-old said: "I've just come back from filming. It was pissing it down on the hottest day of the year!"

The thesp, who is from Reykjavik, Iceland, explained how she had taken to eating soup so that she wasn't left uncomfortable in the costumes – which are lined with corsets.

She added: "I am now on a soup diet. I always paid for having too much lunch and having indigestion.

"It is cramped, so now I have soup."

Phil had to quickly step in and apologise, just a day after actor Sam Neill also said the p-word, adding: "Sorry about that! That is twice in two days."

Heida was joined by her co-star Luke Norris, who plays Dr Enys on the show, as they told of the downsides of working on a period drama.

Luke said of using fake blood and a pig's heart for one scene in the second series: "It's quite a tough gig this one. I'm OK with blood, but during the second series there's a pig's heart that puts in an appearance and the smell was quite horrifying."

'Mistaken identity' doorstep killings

A MOTHER of nine and her nephew were the victims of mistaken identity when they were gunned down and killed in an early morning double-shooting, family members have said.

The victims – named by family members as Bervil Ekofo, 21, and his 52-year-old aunt Anny Ekofo – were shot dead at a flat in East Finchley, north London, yesterday morning.

Family members who came together to grieve outside the address said they did not know what had happened, but believe that the two were killed by mistake.

One relative, who did not wish to be named, said: "We think someone came to the address looking for someone else and when Anny answered the door, they shot her.

Adele TAYLOR

By JESS GALLEY
jess@sundaysport.co.uk

SCORCHING duo Mica Martinez and Adele Taylor spell double trouble for your trouser department.

Because the sexy female pals have stripped off and bared their boobs for this saucy girl-on-girl shoot.

Gorgeous Mica, 25, slipped into her finest pink skimpies to grapple with 26-year-old friend Adele.

And Adele, from Northolt, Middlesex, couldn't wait to peel off her own black lingerie – while helping Mica out of hers, too!

Naked

Sultry Mica, from Shoreditch, east London, boasts exactly the same sized boobs as her pretty brunette mate – palm-stretching 32D assets.

Mica told us: "Adele and I have been friends for a long time, and we're very comfortable being naked around each other.

"In fact, we're always having little wrestling matches in the nude! And I've lost count of the amount of times I've fondled her breasts.

"Anyway, what's a cheeky grope between friends!?"

REALITY star Angelique 'Frenchy' Morgan made an ARSE of herself when she showed off her allegiance to Presidential candidate Donald Trump.

The 40-year-old French model isn't shy when it comes to flashing the flesh and she pledged her support for the Republican hopeful by exposing her bare backside.

The *Celebrity Big Brother* star – who is now focusing on her career as a DJ – stripped down to a pink thong bikini and whipped out her 36Ds as she posed on the beach.

Angelique covered her nips with a pair of star pasties while she made sure all eyes were on her cheeks as she showed off a collection of 'Vote Trump' stickers.

One onlooker said: "That Trump's a bit off an oddball. "But Frenchy gets my vote!"

Landlords ram bird feeder up man's bum

A MAN is in a critical condition after his landlords shoved a bird feeder pole up his BUM.

The brutal attack, which happened earlier this month, left the victim hospitalised with life threatening injuries to his rectum and colon.

While sat on his front porch with a couple who the victim rents a room off, landlords Dustin Bragg, 34, and Barbie Vaughn, 49, attacked him.

He fell off the front porch, at their shared home in Calhoun Co, Alabama, knocking down a bird feeder pole before landing in dog dirt.

After the man took off his clothes to clean up the shit, Dustin Bragg rammed the metal pole and a garden hose up the victim's arse.

Waiting six days to seek medical attention, a relative took the man to a medical centre.

Both attackers were arrested on charges of sexual torture.

Killer's sex with own cousin after hiding dead wife

A MAN murdered his missus before hopping into bed and bonking his own COUSIN.

Loyd Dejohn (*above*) is alleged to have brutally killed his wife and stashed her body upstairs before having sex with his girlfriend – who is also his first cousin – on the floor.

Dejohn, 48, has been charged with first-degree murder and mutilation of a dead body after his other half's partially decomposed remains were discovered in June 2014.

Kimberly Dejohn, 51, was bound, gagged and strangled before sustaining blunt force injuries to her skull and back as well as being stabbed.

Her husband hid her body under a blanket in a closet at their home, in Michigan, US, for two days before he was forced to move her to his truck because of the foul stench.

The suspect left the decomposing corpse in the truck, under a pile of dirt, for two weeks before he finally buried her in a shallow grave.

He then moved his girlfriend in and paid her and her mother to clean the house.

Gun nuts get shot at love

GUN enthusiasts now have a place where they can find love for themselves – and their weapons.

Dating website Concealed Carry Match claims to help those who love shooters to find their one true match.

The Michigan-based site said the idea came about after a study showed concealed carry permits in the US had soared by 270% among women.

Featuring a logo of a white gun holster wrapped around a pink heart the website claims to "take the guesswork out of finding individuals who complement your lifestyle, whether you own a gun or just believe in this Second Amendment right".

More than 10,000 people have died at the trigger of a gun in the US so far this year.

KATE THORNTON EXCLUSIVE: I FLASHED MY FANNY AT THE POSTMAN!

DISNEY alumni Bella Thorne has been showing off her new inking this week – but distracted attention from it by flashing her NIPS in this skimpy top.

The 18-year-old actress made sure all eyes were on her when she stepped out in a pink crop top, with her perky nipples visible through the skin-tight material.

The gorgeous redhead showed off her washboard abs as she dressed down the look with a pair of tatty old jogging bottoms, which flashed just a hint of her knickers.

'He's seen my whatsit!'

By JESS GALLEY jess@sundaysport.co.uk

TELLY scorcher Kate Thornton has revealed she once flashed her FANNY at the postman.

The 43-year-old confessed that she treated her postie to an eyeful of her mimsy after her young son pulled her pants down.

Kate said she had answered the door in her pyjamas when she showed off a bit more flesh than she'd bargained for.

And Kate admitted she was going commando underneath her PJ bottoms and was left red-faced when her son Jake gave them a tug.

She said: "I answered the door to him with my little boy Ben, who was tiny at the time.

Underwear

"I was in my PJs and you know how you don't always wear underwear under your PJs?

"Well, Ben was tugging at me, and then he pulled my pyjama bottoms down."

Before she thought to pull up her kecks, the former *X Factor* presenter admitted she screamed at the delivery man to look away.

She said: "I was just, 'Don't look at it, don't look at it' as I covered myself.

"I moved house, but five years on I'm on the same postman's new route.

"We just pretend it never happened, but he's seen my whatsit."

TUG: Kate lost her pyjama bottoms

Weekend Sport POSTER BABE

By BECCA STUBBS becca@sundaysport.co.uk

BLONDE babe Eva Wyrnal claims she can't be beaten in the bedroom after recording a marathon BONKING session.

The 26 year-old hottie boasted about her FIVE-HOUR sex romp and challenged other women to match her stamina in the bedroom.

Sexy

She said: "A lot depends on my mood. Sometimes I like it fast, other times long – like five hours long.

"If anyone thinks they can have sex for longer, let's see it."

Flaunting her 34F norks, Eva, from Rugby, also loves sending sexy selfies of herself on her phone to keep her busy away from the bedroom.

She confessed: "It's a naughty thing to do. You have to be careful to send it to the right number or it could be embarrassing!"

MOTORS WITH THE PURPLE HELMET

AUDI RS6
(2003, £9,000)

IT'S getting on a bit, but like an old ex-boxer down the boozer who'd gladly put you on your arse in a scrap, it's still bristling with power.

A 4.2 litre engine gives a stonking 450bhp and turns you into a wannabe spaceman, such is the thrust when you put your right foot down.

It's limited to 155mph and you'll get to 60mph in just 4.5 seconds.

But with all-wheel-drive as standard it never feels like a car that's going to get away from you in terms of the handling. Reliability is good and the interiors are pretty hard-wearing, so even at more than a decade old it should feel like a brand new motor.

And while you might pay through the nose for insurance, just keep telling yourself this was a vehicle that cost upwards of £66,000 new!

VOLVO C30 2.0 R DESIGN
(2009, £4,500)

THERE'S a bit of style-over-substance going on with the Volvo C30 – it looks great but room in the cabin is compromised because of those unique lines.

And if you go with the 'R-Design' package it makes the C30 sportier still, with lovely new bits of bodykit and a quicker-ratio steering rack.

There have been some issues reported with the 1.6 litre diesel engine, including knackered turbos and misfires, but the 2.0 diesel sounds a bit more bulletproof.

And while fuel economy is pretty pap for a diesel – you'll only get around 40 miles to the gallon – there's 150bhp on tap and it's a fun, engaging ride.

MERCEDES C180
(1997, £800)

IT might not look much, but this C-Class Merc brought new levels of build-quality to the luxury car market back in the day.

It also had a reputation to repair, as it replaced the niggle-ridden old C180E in 1994, which went before it and garnered loads of bad press.

Now whichever C180 you buy it's pretty much guaranteed to be a solid tank of a motor for not much dosh.

There's a couple of nice engines to choose from – a 1.8 petrol or a 2.2 petrol, both silky smooth and relaxed rather than eager to pull your face off.

TT's out for the lads!

NEW CAR
AUDI TT RS
(£51,800)

ONLY a dickhead would still call this a hairdresser's car – because with 395bhp and a top speed of 174mph, the new Audi TT RS is the fastest TT ever to leave the factory.

The first 0-62mph will go by in just 3.7 seconds – which is quicker than an Aston Martin Vantage V12 S.

And while it's not cheap at a touch over fifty grand, it's had a butch new makeover to give it an aggressive new look which will please many.

A seven-speed paddleshift gearbox and Quattro all-wheel-drive comes as standard, and by switching driving modes you can send more or less power to the front and rear axles to give you a relaxed – or sporty – driving style.

The power comes from a turbo-charged 2.5 litre petrol engine that's been around since 2009, but the new RS has been to fat camp where it's lost a load of weight – 35kg – making it quicker than ever before.

Meanwhile the noise that comes out of the exhaust pipes is sure to put a big grin on your face, sounding a bit like Audi's V10 supercar.

Flush

It's pretty impressive inside, too, boasting the TT's lovely 'Virtual Cockpit' – aka a lovely computer screen free for you to customise to your heart's content and which also links with a smartphone.

If you're feeling flush you can also go for an optional 12 speaker Bang & Olufsen stereo, just to add to the aural poetry coming out of the rear end.

And let's not forget the all-important rag-top version, which will cost you an extra £1,750.

That buys you an acoustically insulated fabric hood that raises or lowers in 10 seconds, at 30mph and below.

And if it were us buying, and with no difference in handling between the two cars, we'd always go for the topless one!

YAMAHA XV950
(£7,200)

IT'S the worst kept secret in motorcycling – Triumph are set to unveil a new Bonneville 'Bobber' later this year, a faux hardtail bike that properly harks back to the Fifties.

It's got hipsters fizzing at the clopper and looks set to be a good seller for the British brand.

But there's already a stonking Bobber style bike on the market, and it's one that might even benefit from the media buzz surrounding Triumph's steed.

And that's the Yamaha XV950.

The V-Twin 900cc engine is just big enough, giving you grunt for motorway cruising and speed for city traffic light cruising.

It's also properly customisable, letting you swap parts at a whim at just a turn of a few bolts.

HARLEY-DAVIDSON FORTY-EIGHT
(2011, £6,500)

IF you don't like the Yamaha Bobber (*see left*) the Harley-Davidson Forty-Eight is another absolutely cracking hardtail to rival the new Triumph.

Like the Triumph, it's got a 1,200cc engine which is responsive and rapid.

And unlike most Harleys, it's got petite proportions and a low weight that improves handling no end.

It's no good for long journeys – that small seat and sit-up riding position will have your muscles aching after an hour or so.

But it looks, sounds and feels fantastic, and you'll have every single envious bloke staring at you as you blast past.

Snatch of the day

PES 2017
Konami
★★★★

RELEASED every year, this latest incarnation of the ever-popular footie game benefits from a host of minor improvements and tweaks that fans will love.

For starters, the pace seems just a shade more measured than the last edition.

That doesn't mean it's sluggish – passing, for example, is as responsive as ever.

But, together with adjustments to defensive AI you'll have to be just that little more patient and methodical in breaking down your opponents.

You can still play pretty quick and direct football, as long as you're set up to do so.

But by and large you have to work a touch harder for your openings.

Further efforts have been made to distinguish individual players, and the styles of the game's biggest stars are instantly recognisable.

Elsewhere, the recovery time after losing the ball seems to have been shortened so you'll find yourself winning the ball back after conceding possession more often.

Weirdness

You'll still encounter the occasional bit of weirdness, but that's true of almost any game with so many variables and moving parts.

Thankfully such oddities are relatively uncommon.

Given how close it gets to the sport in both look and feel, the moments where *PES 2017* falls short feel all the more disappointing.

The commentary from Peter Drury and Jim Beglin feels much more fluid and organic, yet obviously canned soundbites from previous years remain, and there are still too few comments for individual players.

The lack of licences is an obvious drawback that persists and may never be resolved – not for the foreseeable future.

But while it's something we've all grown to expect from *PES*, it's disappointing to see the likes of Real Madrid and Juventus unable to use their real names.

If you're a *PES* fan, there's no point reading this – you're going to buy the game regardless.

But for everyone else, you may have to be a bit more cautious before parting with your cash.

Yes, there are improvements to last year's release but these still don't qualify it enough to bring it up to the levels set by FIFA.

BOOKS With JON WISE

***DARKTOWN* by Thomas Mullen (Little, Brown)**
★★★★★

HERE'S a hard-boiled masterpiece set in 1948 Atlanta with a theme relevant to today's America.

Darktown is the poor, black area of the city, policed on pennies by a handful of black cops whose restricted by their white bosses' rules. When two of them witness the beating of a black woman, later found murdered, by a white cop they breach the rules to investigate.

In doing so they fall foul of the Rust Squad, racist cops who make the Ku Klux Klan seem like cheerleaders for multiculturalism.

Darktown is brutal, harrowing, full of anger yet atmospheric, compelling and layered with hope.

A hard as nails gem.

***THE DEAL: Inside the World of a Super-Agent* by Jon Smith (Constable)** ★★★★

KICKING off with a nightmare deal going down in Ukraine, Smith goes on to tell of his life in moodiest area of the Beautiful Game...as an agent.

It swings from dizzying highs to scary lows via tons of cash and shredded nerves pursuing top players – a mind-boggling world far removed from *Match of the Day*.

***The Deal* is as much a book for sharp businessmen as it is for football fans.**

***EXILE ON FRONT STREET* by George Christie (Sidgwick & Jackson)** ★★★★

WHAT'S it like to roll with the Hell's Angels, to be an outlaw biker and joint boss of a feared Chapter, to live with the fighting, the drugs and criminality, the sex?

And then to leave after 40 years and find yourself on the wrong side of the gang?

Christie was far from being the raging, homicidal thicko these notorious bikers are often depicted as, though his story still involves plenty of tales of life on the edge.

DVD

***THE DAUGHTER* (15)** ★★★
A MAN returns to his family home for his father Henry's wedding to the younger Anna.

Bit convoluted family secret stuff, but an excellent performance by Geoffrey Rush.

***A HOLOGRAM FOR THE KING* (12)** ★★
DESPERATE to recoup lost earnings and pay for his daughter's tuition fees, a businessman travels to Saudi Arabia in an attempt to secure a lucrative IT contract with a Saudi king.

I don't know about you, but I always tend to put Tom Hanks movies into one of two categories: ace or shite.

And this is definitely in the latter.

***HARD TARGET 2* (15)** ★★
A DISGRACED mixed martial arts fighter is forced into a deadly game in which he is hunted in the jungles of Thailand.

Star Scott Adkins is effectively a poor man's Steven Seagal – and surely a bad day at the office when someone describes you like that.

ALBUM

***WILD WORLD* by Bastille** ★★★★
WITH their debut album released back in 2013, fans of the British indie pop band have been eagerly anticipating the release of their second album *Wild World*.

The modern popsters create another arena rousing album and there's everything from ballads to 90's-vibe dance tracks in this 14-track feel-good album.

WHO'S THE DADDY?

MOVIES with JUSTIN DUNN

THE best news about the latest Bridget Jones film – the kind of news that gets trumpeteers parping with joy – is that Hugh Grant ISN'T in it.

Yes, the foppish actor gets no airtime in this threequel, although his character Daniel Cleaver does get a mention.

As you can spot from the title, there is now a baby involved – but first we have to revisit a more grown-up Bridget some 12 years after the last film, that saw her having to be rescued from a Thai prison.

BRIDGET JONES'S BABY

15 ★★★★

Now in her early 40s, and working as a TV news producer, Bridget has more self-discipline than she did in the earlier flicks.

She's kicked the cigarettes, toned down the drinking and mastered the art of healthy eating without even a hint of blue soup.

Helen Fielding's much-loved creation, however, is still prone to rash and impulsive acts – not to mention lapses in concentration and romantic ping-pong.

As the film opens, the leading lady is celebrating her 43rd birthday alone after being stood up by her old gang, all of whom are now married with children.

Mark Darcy (Colin Firth), it turns out, is also hitched, to another high-achieving civil rights lawyer.

Fling

Determined to start afresh, Bridget goes to a weekend music festival with her younger work mate (Sarah Solemani), where she drinks too much, unwittingly blanks Ed Sheeran, and finally winds up in the wrong tent with a potential Mr Right (played by Patrick Dempsey).

Bridget has another fling, weeks later, with Mark Darcy after bumping into him at a christening.

One of these two is the father of the baby she is now expecting....

Even though there's another romantic triangle at the heart of *Bridget Jones's Baby* – Cleaver is missing, presumed dead, after an aeroplane accident – the character's pregnancy moves the story forward to a new era.

There's also some generationally-appropriate digs at hipster beards, yurts and digital media.

For a character so rooted in a specific time and place, Bridget Jones is surprisingly ageless.

You'll like this, even if you hate yourself for doing so.

#100 Chloe Sevigny in *The Brown Bunny* (2001)

BREAST SCENES IN MOVIE HISTORY

THERE'S naughty stuff at the cinema, and then there's Chloe Sevigny in 2003's *The Brown Bunny*.

Within it was a memo to aspiring filmmakers – you can spend a large amount of your running time doing virtually nothing so long as you cap off your movie with a starlet giving you a blowjob on screen.

That's the main act from director Vincent Gallo's pet project about a motorcycle rider who does not much more than brood.

The reason we still talk about this film is near the end in which Gallo's topless co-star – and then real-life ex-girlfriend – Sevigny puts Vincent's "money" where her mouth is.

The fact that Gallo apparently used a prosthetic Johnson for the scene – which I'm not buying at all, by the way – doesn't make it any less uncomfortable to watch.

Nor does the fact that the scene actually does serve a purpose in the big picture.

You're observing a well-known, highly talented actress go out on a controversial limb in one unbroken sucking shot.

The film's not great. But you'll be hitting the rewind button hard.

Dear Ava,

I'M a 19-year-old lad and I don't have a girlfriend because my knob's only two inches long – and that's when it's hard.

I hate it when I read in your column about guys with "massive" cocks and wondered if you could give me advice on where to go to have mine extended.

DH, Bucks

Ava says...

GO and have a private chat to your GP – then he can refer you to a specialist.

Dear Ava,

I WAS out walking the dog the other day when I noticed a commotion in some bushes.

There was a spotty, white arse pumping up and down.

Then a woman's voice said: "Don't just look, come and have a go!"

A burly fella got to his feet and ran off so I wandered over to find a fit blonde, about 20, who was starkers with her legs open and showing off her snatch.

I dropped my pants and set to, thrusting up her tight wet gash and in no time at all I'd blown my load.

Then I pulled my trolleys up f**ked off to find the dog.

But I didn't find it and now the wife is furious.

Please help!

GS, Blackpool

Ava says...

TAKE up dogging and buy a cat!

Dear Ava,

I'M a bloke and I'm the only fella working in an exclusive clothes shop.

Research has shown a presentable man can really encourage women to spend more money.

It certainly works with the "ladies who lunch" as I discovered the other day.

This cracking bird of about 35 – 10 years older than me – came in and started browsing.

She gathered an armful of dresses and headed to the changing room and after a few minutes I heard her call: "Come and zip me up, someone, will you?!"

As all the other staff were on breaks I went in to help her.

When I pulled aside the curtain she was sitting on the chair naked but for her leather boots – with her legs spread to show off her trimmed bush.

She then pointed at me and said: "Go down on me!"

I was stunned but did as I was told and licked her out to a climax.

Shortly after she bought all the gear she had chosen, boosting my sales commission.

My heart pounds now every time the door opens in the hope it will be her.

I'd really love to shaft her.

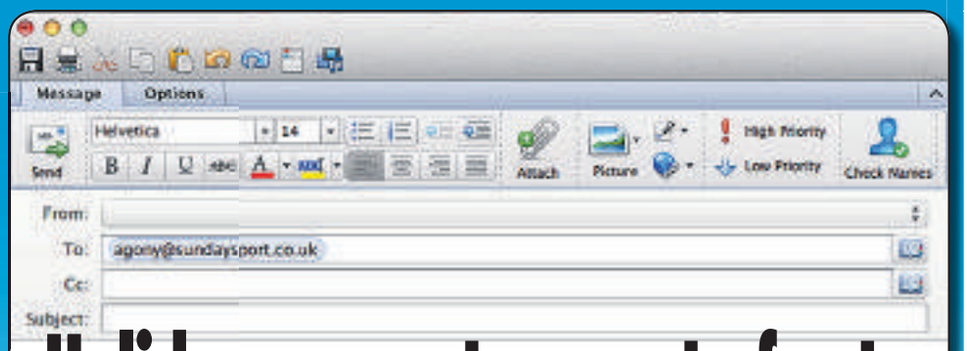
THE WORLD FAMOUS AGONY Page

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week AVA DALUSH has been reading through your letters. And here's her advice for you...



Holiday sex gets us out of rut – now the wife is a right old slut!

Dear Ava,

I HAVE just turned 40, and after 20 years of marriage, I thought my sex life with the wife was in a rut.

So I suggested to her that we go somewhere nice, which she agreed to – but in my mind I thought it might put a spark back into our physical relationship.

We had a relaxing holiday, sunbathing during the day and getting dressed up and heading out to nice restaurants in the evenings.

My wife looked gorgeous and it made me see her in a fresh light again when she wore a white miniskirt and a little black top one night, with her hair scraped up to help show off her amazing figure.

But I wasn't the only one who noticed her – some of the locals who worked behind our favourite bar kept lavishing the wife with free drinks and compliments.

One bloke even said that I must have a huge cock to have pulled such a tasty bird!

But I started feeling good about our relationship again and I wanted to spend some quality time shagging her.

In bed that night I got my head between her legs and really enjoyed myself and she did, too, by the way she was howling the place down.

She started talking dirty to me saying how much she wanted to be used and abused – which was strange as I had never heard her say anything remotely rude like that before.

And it really turned me on when she then begged me to slip a finger into her bumhole while I f**ked her from behind.

She said she wanted me to slap her arse cheeks hard until they smarted red.

I got really excited by all this domination of my wife and pulled her round to make her suck my cock hard and deep in her throat by forcing her head onto it.

Well, this brought me to a shuddering orgasm too and I stood over her, spraying my spunk into her hair and across her sweaty boobs.

Is this normal behaviour for a couple in their 40s?

PD, Aberdeen

Ava says...

DON'T worry – just have fun!

Boring hubby doesn't like rough stuff

Dear Ava,

MY bloke is lovely but he's predictible.

We go to bed and have a bit of foreplay where I give him a long, slow blowjob. I start off by gently cupping his balls in my hand as I lick the tip of his manhood.

Slowly I move my lips down his shaft, flicking my tongue out as I go.

When I reach the bottom, I move back up his length until I enclose my mouth around his helmet and take him right to the back of my throat.

But he doesn't respond to my need for rough spontaneous sex so I'm thinking of having an affair.

JF, Staffs

Ava says...

YOU and your hubby need to talk.

Lesbian lessons in love

Dear Ava,

I'M an 18-year-old female student and I've been going out with a fellow academic for more than a year.

One of my lecturers is a really good-looking woman in her mid-30s and at the end of last term I caught her looking at me oddly during a lecture.

When it was over, I was getting up to leave when she asked me to stay behind.

Then she suddenly started to stroke my hair and said: "You're very pretty."

Before I realised what was happening, she shut the door, pulled down the blinds and sat right in front of me, moving her fingers up her skirt and rubbing her crotch.

And I responded when she caressed my breasts before slipping her tongue inside my mouth.

But then I suddenly came to my senses, pushed her off and fled from the room.

I know I'm not a lesbian but I'm nervous about seeing her when the new term starts, as I'm afraid to face her again.

What should I do?

RL, Cheshire

Ava says...

TELL her you're not interested.

MUSIC by CARL EVANS

Speak Up! by Forever Never ★★★★

ESSEX rockers Forever Never have waded in with a very impressive new E.P. called *Speak Up*.

They play a life-afirming blend of alternative rock and hardcore, and what really leaps out when you listen to the them is how slick and polished their sound is.

There are some really strong tunes on here. *We Won't Save The World* is one of their particularly catchy numbers with aggressive stabs of down-tuned guitars and pounding percussion. There's a great keyboard melody that accompanies the track throughout and adds an interesting extra demension missing on some of their contemporaries' records.

Lyrically, Forever Never bring a very positive message. *Never Giving Up* and *One Life* will both give a nice little lift. The latter has a spectacular Def Leppard-esque arena rock vibe to it and some great vocal harmonies. The E.P. wraps things up with the title track – and it's a corker. It's a modern metal anthem and you don't hear many of those from UK metal bands anymore.

Speak Up is a great E.P. that leaves you wanting more. Lets hope there's plenty where that came from!

WINTER IS COMING!

Winter's Gate by Insomnium ★★★★★

INSOMNIUM's latest effort, *Winter's Gate*, is a very interesting concept.

The album (the Finish band's seventh) is comprised of one mammoth 40-minute song.

It's based on a short story, of the same name, about a group of Vikings searching for a fabled island through treacherous seas as a savage winter draws in. It was penned by the band's vocalist and bassist Niilo Seväne.

The book was released a few years ago and has been nominated for for a number of awards – and if there's an award for Best Album of the Book then this long player deserves it!

Insomnium play melodic death metal. The Scandinavians are the masters of this stuff and it's the ideal genre for storytelling.

The style incorporates elements of folk, combining strings and classical guitar melodies with uncomprimising, down-tuned aggression.

Winter's Gate is an incredible piece of work that rises and lowers its tempo like huge wooden oars cutting through crashing waves.

It's an album that does a fine job of translating the viking tale to music. You can really feel the peril and emotions.

The musicianship is insanely good while Seväne's vocals are powerful and full of growling dread – I don't reckon *Jackanory* will be getting in touch anytime soon.

So… will they find the island? If it even exists? I'm not going to give anything away but this a musical journey well worth taking!

An outstanding album that champions the Scandinavian metal scene and the high pedigree of musicians it breeds.

Contrapasso by Seven Impale ★★★★

NORWAY'S Seven Impale scored a hit album in the global prog community with their 2014 debut *City of the Sun* ranking highly in the prog charts.

Follow-up *Contrapasso* is out this week. So… is it any good? The answer is yes, it is – if a little batshit crazy in parts!

Tracks *Lemma*, *Inertia* and *Languor* sound a little disjointed at times and there are a lot of different intrumental sounds crammed in – but stick with them and powerful melodies will shine through and the pandemonium starts getting more infectious and enjoyable. Elsewhere, *Helix* and *Phoenix* have great retro robot disco grooves – seriously funky stuff with a lose, jammed-out, sound.

With the songs on *Contrapasso* averaging around the 8-minute mark you will need to invest a decent chunk of listening time to *Contrapasso* – but you'll life will be richer for it.

FIVE MINUTES WITH Dani Maye

By WENDY THOMAS
news@sundaysport.co.uk

TAXI drivers are used to seeing all kinds but one in particular must have felt it was his lucky day when dazzling Dani Maye got DOWN AND DIRTY in the back of his cab.

What's more, the busty 32E babe had pulled a sexy GIRL from a club and couldn't keep her hands off her!

Play

And the 26-year-old confessed she'd be up for a repeat of the X-rated girl-on-girl action.

Dani, from Kingston, Surrey, said: "Girls are just so sexy – sometimes I prefer kissing them to men.

"And I love boobs – I could play with another girl's boobs all day!"

We caught up with the blonde beauty for a five-minute chat to ask her what else really turns her on…

TELL US SOME MORE ABOUT THIS LESBIAN EXPERIENCE

I pulled a girl in a club once. I'd had a few drinks, so I was really relaxed, and I saw her looking at me across the bar.

So I went over and she was absolutely stunning – dark hair, dark skin and massive boobs with all her cleavage on show.

I was surprised by how turned-on she made me feel.

We chatted for a while and ended up snogging in the club.

Then we carried it on in the taxi and ended up having sex in the back of the cab.

It was the most amazing sex experience I've ever had!

The driver dropped her at home before me and I never even asked her name.

I don't even know if she was gay or straight – but that kind of gets me going every time I fantasise about that wild encounter!

HOW CAN A GUY TURN YOU ON?

I love having my feet played with during sex. It feels amazing – the tickling sensation gets me going every time.

It's really different and feels so kinky.

WHAT'S YOU FAVOURITE POSITION?

I love it doggy-style. I really like to play the submissive and have no control whatsoever.

I love the feeling of not being in control – it's a real turn-on, especially when my fella is being really rough.

And I like having my hair pulled. Doing it doggy-style is perfect for that.

The guy can lean over you, grab a handful and give it a good tug.

It's as horny as hell!

DO YOU HAVE ANY FANTASIES ABOUT DOING IT ANYWHERE UNUSUAL?

This might sound a bit strange, but I really fancy doing it in a men's changing room at a sports club.

Maybe in the locker room at a golf club, or, even better, in the changing room at a football club. I just think it would be really naughty.

I'd like to have sex while all the men are on the pitch.

The thought of all those dirty, sweaty fellas changing in there afterwards really does it for me.

DO YOU USE SEX TOYS?

Yes, I own a few. I have a Rampant Rabbit and I've got a big vibrator called the Hitachi Magic Wand.

It's supposed to be a muscle massager – but it has far better uses!

Every girl should have one.

DO YOU WATCH PORN?

Sometimes, but not very often. I much prefer to use my naughty imagination when I'm playing with myself!

EVER MADE YOUR OWN SEX TAPE?

Me and an ex filmed ourselves having sex once and that was REALLY good!

I think because we knew it was being filmed, we both upped our game.

It was incredibly passionate and very imaginative. It's one night I often think about when I'm horny and alone.

HAVE YOU EVER HAD A MENAGE A TROIS?

Not yet, but I wouldn't be against it. It would have to be with two girls though, or a girl and a guy.

The thought of doing it with two men is too scary for me!

DO YOU LIKE BUM FUN?

It's just something that I can take or leave as there is plenty of other avenues of sex to keep me occupied. I've tried it before and it was OK – but it wasn't exactly the best sex I'd ever had.

Let's just say I won't be asking to do it any time soon, but I won't say no if the situation's right.

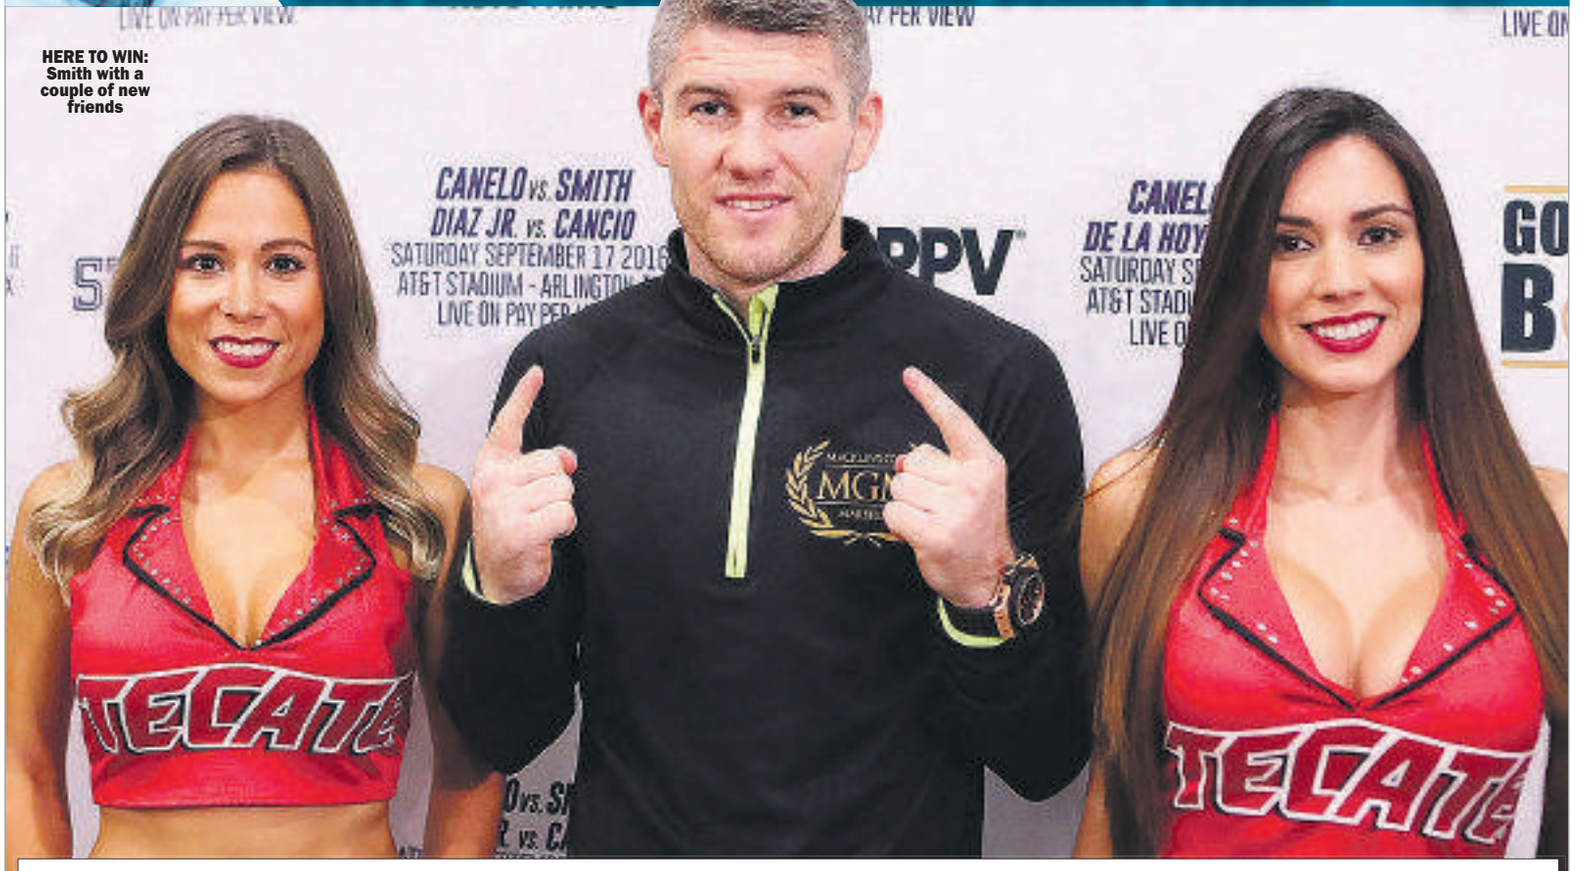
LILLO'S RINGPIECE

MEGA FIGHT SPECIAL CANELO V SMITH

STEVE LILLIS' KNOCK[illegible]EEKEND BOXING COLUMN



HERE TO WIN: Smith with a couple of new friends

BEEFY: I'LL BE BACK

LIAM SMITH insists he will make an American return next year . . . to give Saul 'Canelo' Alvarez a rematch.

The scouser risks his WBO super-welterweight championship against the Mexican idol at the magnificent AT&T Stadium, Dallas, on Saturday night.

He is a huge underdog to retain his title, and Canelo will be backed by 50,000 fans inside the stadium on Mexican Independence weekend.

Smith unbeaten in 24 fights said: "It's not the biggest fight of Canelo's career now, but when he loses it will be and his team will do everything possible to get the rematch.

"Yes, I'm the champion and it's my biggest fight, but it's a fight I've asked for since I became champion.

"People actually congratulated me when I took the fight and told me I deserved credit.

"Why do I deserve credit if I'm the champion?

"If I'm knocking back fights, then I don't deserve to be champion. I was never going to turn down any big names."

Smith, 24, will have no more than 200 friends and family in Texas. His mum can't even bring herself to watch the fight and will remain on the hotel.

And although the third oldest of her six children is up against it, he has been in top form with eight KO wins on the spin. "I've improved a lot physically and mentally," said Smith who is making the third defence of the title he won against American John Thompson last October.

"I try things in the ring now that I probably wouldn't have tried before I reached this level. You can see improvements, even though my title defences haven't been against world-class opponents. I've still gone about the job like a champion.

"It don't get much better than this, and I have the fear in me and that will bring out the best."

TARGET: Canelo

THE BOOKIE BASHER

THE MAN ALL LAYERS FEAR — MICK LIVESEY — WITH HIS EXCLUSIVE VIEW

Leicester made me so proud

AND THE FOXES CAN KEEP UP THEIR EURO FORM AT HOME

LAST season's top four all dined out midweek at Europe's top table — Spurs learned that the Wembley curse really does exist.

Arsenal rescued a point, but got played off the pitch. Man City breezed to an expected success and Leicester City made me proud to be English.

In this modern era of football, Ranieri's boys are a real breath of fresh air.

You can't help, but be anything other than impressed by the Foxes. It was not only a winning debut in the Champions League, it was the way they did it, that really made an impression on me.

Winning the league could have changed them, but to their credit they've not changed one bit.

They romped to a 3-0 victory away at Club Brugge, Marc Albrighton will enter the record books by scoring Leicester's first ever Champions League goal, Riyad Mahrez scored a wonderful free-kick and converted a penalty to ensure this was an occasion to remember.

Only AC Milan and Atletico Madrid have recorded a wider margin of victory on their Champions League debuts.

Lead

The impressive statistics don't stop there because Leicester became only the third English side to win on their debut in this competition, after Man Utd and Newcastle.

Mahrez picked up the man-of-the-match, but for me Jamie Vardy looked absolutely outstanding up front.

I hope Big Sam was watching this match, because Vardy is the man he should select to lead the line for England.

His pace and desire are a joy to watch and he can give the best defenders in the world nightmares.

Ranieri deserves massive plaudits, he never over complicates matters, he knows what he's got and most important of all he knows Vardy is a deadly weapon when used correctly. They sit back, look to win the ball deep in their own half and then attack at pace.

With Vardy up top and through the middle they have a very willing runner, who is a deadly hitman.

Promise

There are no complicated tactics, nobody is asked to do anything they are not comfortable with and it works.

Football is a very simple game, but many coaches today look to over complicate it, they should take a leaf out of Leicester's book.

MICK'S ODDS & SODS

CHAMPIONSHIP

I tipped Newcastle for league glory ante-post and after a couple of games in I was starting to get worried.

Those fears have now been banished, the Toon powerhouse has hit full flight and look capable of not only beating anyone, but hammering them.

Just ask QPR fans, because they played them off the park while romping to a 6-0 away victory.

Now up to second and just one point off leaders Huddersfield, all is well in Geordie land.

The bookmakers have been rather generous, they've priced up Rafa's men at even money to beat Wolves.

That looks a gift and not one I'm going to turn down.

Jonjo Shelvey *(below)* looks back to his imperious best and with him pulling the strings in midfield the Toon Army have started to tick.

Only a Wolves fan or an escaped nutter would back against Newcastle here, I'm neither, so I'm jumping on.

BET NEWCASTLE AT EVENS

LEAGUE 1

When Beevers fired Bolton in front against the MK Dons, it's safe to say you'd have expected the league leaders to have won.

It ended in a 1-1 draw, but I fancy the Trotters to get back on the winning trail at Walsall.

It's not been a great start for Walsall and they arrive here after a 2-0 defeat to Northampton and a 1-1 draw against Bristol City.

Bolton should have too much in the locker and I expect their promotion bid to remain on track.

BET BOLTON AT 13/10

LEAGUE 2

Plymouth have started their season brightly and are fancied to bring back all three points from their trip to Exeter.

There is no love lost between these two, there is added spice between the rivals after Exeter signed Reuben Reid *(below)*.

The former Plymouth hitman banged in a hat-trick in 2015 against Exeter, but even with him now on their side, I predict another defeat for the relegation candidates.

PLYMOUTH AT 8/5

SHOUTS THE ODDS!

ON ALL THE WINNERS AND LOSERS OVER THE SPORTS WEEKEND

ON THE MARC: Albrighton celebrates his strike against Bruges

I'm tipping the Foxes to get out of the group stages and I promise you this no team will relish playing against the English champions.

BET LEICESTER TO WIN GROUP G AT 4/7

Leicester face Burnley on Saturday and it's been evident in the league that they've missed Kante badly.

It's no surprise because he is one hell of a player. That win in Europe though will surely have boosted confidence levels. Gambling on teams after a European game should come with a government health warning, but I can't see past a Leicester win here.

I've a feeling the Foxes season is only just starting and with an inspired Vardy leading the line it spells major danger for Burnley.

The visitors are poor and look set to have a long hard season, that will undoubtedly end in misery.

I don't think they've enough about them to rock up to the King Power stadium and beat Leicester.

BET LEICESTER TO WIN AND VARDY TO SCORE AT 6/4

For leg 2 of the treble I'm punting on Man City to beat Bournemouth.

Aguero will be missing and that leaves the door wide open for Iheanacho.

The young striker is hot, he did the business against Man Utd and came off the bench to score in their Champions League rout midweek.

From which ever angle you look at this from, you just can't make a case for Bournemouth to get anything out of this match.

Man City's Achilles heel in the past is taking their foot off the gas, but do you see that happening under Pep, because I most certainly don't.

BET MAN CITY TO WIN AND KELECHI IHEANACHO TO SCORE AT 5/4

Last but by no means least get on Everton to beat Middlesbrough in the live game at 5.30 on Saturday.

I'm a fully paid up member to Koeman's fan club and I believe he will take Everton forward.

They need to be beating teams like Boro, especially at home and I see no reason why that won't be the case.

Lukaku is the danger man and Everton have done their best piece of business this Summer by keeping hold of him.

Let's get on Romelu and the Toffees to bump up the treble.

BET EVERTON TO WIN AND LUKAKU TO SCORE AT 2/1

MICK'S ODDS & SODS

GREYHOUNDS

Greyhound coverage has been taken to a new level thanks to www.towcester.tv and greyhound fans are loving it.

With so much doom and gloom around in the sport, Towcester are a breath of fresh air.

I've a feeling this is only the start and with Lord Hesketh *(below)* and Kevin Ackerman at the helm, there is every right to get excited about the future.

Tune in to the free live Internet streaming and have a few quid on T2 Kilara Pharaoh tonight at 21.24.

Trained by the brilliant trainer Seamus Gaughan, this son of Ullid Connor can prove too strong close home in the 655m S2 event.

Tomorrow night Seamus Gaughan can land the spoils again with T2 Yankee Oscar at 21.56.

Seamus deserves huge plaudits for the handling of this dog, he's trained him to perfection and got his rewards last time when winning by three and a quarter lengths in a sparkling 39.77 calculated.

This talented greyhound looks sure to develop a taste for winning and under the guidance of his brilliant handler could be heading to the top.

HORSERACING

Some cracking racing for us to savour on Saturday.

Let's start with Newbury, I'm all over Intelligence Cross in the Mill Reef stakes at 2.15.

Aidan O'Brien's charge looks capable of turning over the favourite Mokarris and at 4/1 represents some value.

There was plenty to like about his easy four and a quarter length success recently at the Curragh.

We just need Aidan to turn up and run the horse, because I'm expecting a massive run.

I will be amazed if we see 4/1 on the morning of the race.

Also on Saturday it is the Ayr Gold Cup at 3.45.

I'm going for Johnny Barnes to Spring a surprise in this hotly contested handicap at 33/1.

John Gosden's *(below)* colt is perhaps better than bare form suggests.

There's been excuses in a few of his outings, but I think he's got enough ability to at least make the frame here.

WEEKEND CHAMPIONSHIP MATCH PREVIEWS

Barnsley v Reading

Saturday, 3pm kick-off

JAAP Stam wants his Reading side to keep the ball better — despite having 71% possession against Birmingham in midweek.

The Dutchman wants his Royals to move it around the pitch bigger after the goalless draw.

Heading to Barnsley, he said: "Sometimes we need to be a bit more patient and put pace on the ball higher.

"We have to make them run all over the pitch and eventually tire them out.

"Some games are not easy to play, especially against a team that makes spaces very small to play and pass the ball through."

Blackburn v Rotherham

Saturday, 3pm kick-off

OWEN Coyle says there's only one man to blame for Rovers' worst start to a season for 20 years — him!

Blackburn have now gone seven games without a win after going down at Leeds.

Coyle said: "It's all about winning games and winning points and we've not got enough at the moment and as many as we would like to have. Nobody's hiding behind that.

"We should be sitting here with a few wins under our belt.

"We're not and we'll have to make sure we're ready to do that on Saturday.

"We are clearly capable of doing that."

Brentford v Preston NE

Saturday, 3pm kick-off

PRESTON boss Simon Grayson is confident North End have turned a corner after their first home win since February.

That was against Cardiff in midweek and the gaffer hopes to take that form to Brentford.

He said: "I trust my players, I have brought all of them to the club and I see what they do in training every day.

"We know we are not the finished article – we all want to improve and take that into match days.

"I had been encouraged by some performances this season but we had not been getting the results.

"The result was a big positive for us."

Bristol City v Derby

Saturday, 3pm kick-off

DERBY boss Nigel Pearson praised the Derby fans for clapping the players off the pitch despite losing at home to Ipswich.

The Rams are in the Championship drop zone after three league defeats on the bounce.

But Pearson is happy with the response from the County fans despite them not seeing their team score this term.

He said: "The good thing is I think our fans could see what the players are about. They stuck with them, which is positive.

"It was good to see the vast majority of our supporters staying behind the players at the end of the game."

Jonjo: Rivals march to our Toon

SHELVEY READY TO HUNT DOWN WOLVES

JONJO Shelvey reckons Newcastle's rivals are shaking in their boots after they destroyed QPR.

United were awesome in battering the Hoops 6-0 as they showed the quality boss Rafa Benitez has been looking for.

Shelvey starred in Newcastle's biggest away win in 54 years and cracked in two goals.

After winning six on the bounce, he thinks the Toon's rivals know there's only one side that will be winning the Championship this season.

He said: "We needed to go and put down a marker. We've won six on the bounce now and it's a real eye-opener for the other teams in the league.

"Playing for Newcastle in this division, you're going to have pressure on you.

"If you can't deal with that then you shouldn't really be playing for this club to be honest with you."

Shelvey says the players are determined to repay their debt to the Toon Army.

He added: "Obviously it's not nice to get relegated - you want to play in the Premier League but it was our fault as players at the end of the day.

"It's down to us to get us back into the top flight.

"There's not a lot you can do to be honest with you when you're not going to places like Old Trafford anymore.

"You've just got to deal with it and get ready for trips to Loftus Road.

"I don't think there's self-sulking. Personally I went away from last season feeling very down and depressed to be honest with you because you've let the club down.

"You've let people down. The club have brought you in and expect you to perform to a certain level and the team didn't do that.

"Now it's down to us to put that right."

Wolves will be looking to get back on track after their bright start to the season was punctured in midweek.

Walter Zenga's men were stunned 4-0 at home by Barnsley.

The Italian said: "It's not acceptable. It's a shame not only for me but also for the fans, for the club, for everybody.

"Especially without fight, or trying to do something to change the game."

Newcastle v Wolverhampton

Saturday, 3pm kick-off

Huddersfield v QPR

Saturday, 3pm kick-off

HUDDY boss David Wagner has backed keeper Danny Ward after his cock-up cost Town against Brighton.

He should have saved the only game of the match.

But the gaffer said: "I have no complaints with Danny.

"Mistakes are part of this game.

"I have a positive feeling because we can now say we can compete with the best teams in the division away from home."

Burton v Brighton

Saturday, 3pm kick-off

ANTHONY Knockaert says Brighton's battling win over leaders Huddersfield shows Albion can win promotion.

They scooped a 1-0 win in Yorkshire and the Frenchman said: "It was an important win. We needed three points after two defeats.

"But it's not just about the goal. Everyone worked so hard and you could see we have a real team spirit – and that's important to win games. It will help us for the future."

Wigan v Fulham

Saturday, 3pm kick-off

FULHAM boss Slavisa Jokanovic has defended his reliance on 16-year-old Ryan Sessegnon.

The teenager has scored twice this season and the gaffer said: "Many people ask me about him.

"I try not to complicate his life. He's a very talented guy, he's in the beginning of his professional life.

"We believe he's ready for this level of competition. He's going to be very important."

Ipswich v Aston Villa

Saturday, 3pm kick-off

IPSWICH boss Mick McCarthy says hard work paid off with the 1-0 midweek win over Derby.

It put the Tractor Boys' season back on track ahead of the Villa clash.

Big Mick said: "Derby were better than us.

"But it's all the stuff that I preach to the players that I think sometimes supporters don't like me talking about.

"It's about being tough and hard-working and putting a shift in. That gets ridiculed a bit, but without it you get nothing."

N Forest v Norwich

Saturday, 3pm kick-off

ALEX Neil says he's happy that Norwich have achieved half their goal for the week — to bag six points.

They beat Wigan in midweek and want to complete the job against Forest.

Neil said: "I said to the boys we must target six points at the start of the week but there is still room for improvement and I am getting lads fitter all the time.

"We showed a lot of heart and courage."

LIAM Bridcutt *(right)* is facing a race against time to be fit to face Cardiff.

The midfielder limped out of United's crucial 2-1 win over Blackburn.

Boss Garry Monk is hopeful that it's not too serious.

He said: "It was more of an impact injury for Liam. He picked it up in a tackle in the first half.

"He wanted to see how it went in the second half but I think he knew straight away, after the first couple of minutes, that he wasn't quite right so we made the substitution. I don't think it's anything serious."

Kemar Roofe has missed a couple of training sessions but the winger should be back.

It's another must-win for under-fire Monk as he looks for back-to-back victories for the first time.

Cardiff v Leeds United

Saturday, 12.30, live on Sky Sports 1

CARLOS Carvalhal says Wednesday's amazing comeback against Bristol City has got their season back on track.

The Owls looked on their way to another defeat when trailing 2-0 at half-time. But they turned it around and snatched the win thanks to Kieran Lee's stoppage-time winner.

Carvalhal said: "The heart of this team is as big as the world at the moment and they fight to get all three points. We got lucky when they missed their penalty, but this is part of the game.

As long as we get the win I am happy, it doesn't matter how we do it and these sort of games are amazing for the fans to watch.

"Do I want to win the next game 4-3 after being 3-0 down?

"No – but I will take it if it happens!"

BACK TO BEST: But Liverpool will be hard for Costa's Chelsea to beat at home tonight

Klopp ready to Die-go for glory

CHELSEA WILL COUNT THE COSTA

TONIGHT'S Premier League action should be a real cracker.

Chelsea are 13/10 favourites at BetVictor to beat a Liverpool (11/5) side who were irresistible at the Emirates on the opening weekend of the season and, again, against champions Leicester City at a revamped Anfield last weekend.

BetVictor are offering customers a £5 free bet for the weekend action if they bet £5 or more on tonight's game and the recommendation is for Liverpool to win 3-1 at 25/1 which looks way too big.

Stamford Bridge was the scene of Klopp's first win in the PL back in October but his side have conceded in each of their last eight Premier League games and I expect that trend to continue this evening.

That said, Liverpool have scored more goals (50) in the league than any other side in 2016, while Chelsea have kept just one clean sheet in their last 14 home games. It promises to be an open and entertaining game with both sides likely to hit the back of the net.

Reds boss Jurgen Klopp has already highlighted a rejuvenated Diego Costa as a big danger and the Brazilian born Spanish international is 23/20 to find the back of the Liverpool goal and 5/1 to notch first.

Adam Lallana has taken time to win over the Anfield faithful but he has been excellent form for club and country of late and he might be overpriced at 7/2 to find the back of Courtois' net during the game and 12/1 to open the scoring.

A draw might suit Antonio Conte this evening but I feel the Reds will have too much pace on the break and they must be the recommendation.

★ It's been a big week for jockey George Baker who won the final classic of the season at Doncaster last weekend courtesy of Harbour Law in the St Leger.

He has a good book of rides at Newbury this afternoon including Wapping in the finale for David Simcock.

The selection gave the winner too much rope at Lingfield last time and can go one better despite being raised another couple of pounds for his latest start.

At Ayr this afternoon I like the booking of title-chasing Jim Crowley for Impulsive American in the stayers' race over 2m 2f.

This dual purpose horse travels all the way up from David Pipe's yard in Devon but likes the Scottish air with five of his seven career wins north of the border.

At Hexham Present Lodger can go one better than when runner up at Perth last time to a very well handicapped-rival.

Lucinda Russell's string had a welcome winner at Kelso midweek and, indeed, all her runners performed with credit.

The selection is running off a career high mark and a market move for former stablemate Ballyben might be worth a caver but Present Lodger gets the vote in a hot little race.

Roo should be fit after little break

Watford v Man United

Sunday, noon, on BT Sport 1

JOSE Mourinho expects Wayne Rooney to be fresh after being rested against Feyenoord last night.

The United skipper was one of several players left in England as the Reds headed to Rotterdam.

Mourinho hopes the break will help Rooney.

He said: "Rooney plays every game since the beginning of the season, he played also 90 minutes for England, he played 90 minutes last weekend.

"I want him to be fresh for the Premier League match against Watford.

Fresh

"It is a kind of attacking position where he is playing where I have lots of solutions and people who are working hard to have a chance.

"He took it in a professional way like the other ones.

"With Valencia and Shaw they are positions where I have other solutions and where I prefer to have fresh players for the Feyenoord game and fresh for Sunday.

"I tried to have a strong team in Holland and a strong team on Sunday and give a rest to some players."

Shay wants more effort

C Palace v Stoke City

Sunday, 2.15, on Sky Sports 1

STOKE veteran Shay Given says the players need to get a grip — and fast.

The Potters sit bottom of the league, with the 40-year-old keeper standing in for the injured Jack Butland.

Given is looking for more at Palace.

He said: "We can't feel sorry for ourselves.

"We've got to go out and prove to people that we're a good team.

"We've not done that this season yet.

"We can make excuses, but we have to look in the mirror and ask if we've done enough individually or as a team.

"The answer would probably be no at the moment.

"We've only scored two in the league this season; one was a penalty and one was a free-kick.

"That's something we need to improve on and quickly."

FUMING: Dele Alli

Cats will cop a big creaming

Tottenham Hotspur v Sunderland

Sunday, 4.30, on Sky Sports 1

DELE Alli has promised Sunderland a backlash after Tottenham's defeat against Monaco.

Spurs started their Champions League run with a 2-1 reverse in front of 85,000 at Wembley.

Now they go back to White Hart Lane determined to bounce back against the struggling Black Cats.

Alli said: "We fancy ourselves against anyone.

"We're a confident side and we expect to win games, no matter who is in front of us.

"We usually bounce back well from a defeat and it's important we pick ourselves up on Sunday against Sunderland."

Alli denies that the big Wembley pitch was too much for Tottenham.

He added: "We're a fit side, we do a lot of fitness work for matches like the Monaco one and we're ready for them, so I don't think the pitch played a big part."

Boss Mauricio Pochettino wants his team to give more on the pitch.

He said: "We need to work more on being aggressive, to show we are hungry."

Dyer news for Nathan

Southampton v Swansea

Sunday, 2.15pm kick-off

SWANSEA winger Nathan Dyer will be out for two months after an ankle operation.

He said: "I am bitterly disappointed.

"I was feeling good after completing pre-season training and being involved in the friendlies and the first three games of the campaign.

"I started to feel some pain in my ankle after returning from the training camp in America.

"I saw a specialist last week and the MRI scan revealed the extra bone growth at the back of my ankle.

"There is not a lot I can do about it, but I am determined to work even harder after my operation to play my part for the team on my return."

The 28-year-old was on loan at Leicester last season and picked up a Premier League winner's medal.

£20m new boy Ilkay looks better than OK

BIG IMPACT: Ilkay Gundogan

PEP Guardiola believes Man City have one of Europe's best midfielders in Ilkay Gundogan.

The Spaniard had his pick of the continent's middle men as he starts his revolution at the Etihad.

But he overlooked the likes of N'Golo Kante and Toni Kroos and instead paid Borussia Dortmund £20million for the Germany international.

The 25-year-old was injured when the deal went through and City fans had to wait until Wednesday night for the first glimpse of man brought in to replace Yaya Toure.

And they weren't disappointed as he starred in the 4-0 Champions League win over Borussia Monchengladbach.

Now Guardiola must decide whether to keep his new man in for the visit of the Cherries.

But there's every chance he will figure after the boss said: "He played so, so intelligently. He's an amazing player.

"He has quality with the ball. He's intelligent, is a worker, can dribble and arrive in the box at the right moment. He's going to help us a lot this year."

And Gundogan himself was delighted to show the City fans what he is capable of.

He said: "It was a perfect for me.

"I've been waiting for this moment for a long time.

"It's not easy after such a long time out.

"Four months' rehabilitation is hard — especially when you don't have the opportunity to test yourself or have a friendly.

"I started from zero and 80 minutes was a very long time for my first game. I'm very happy we won."

Bournemouth have their answer to Gundogan in Harry Arter.

Manchester City v Bournemouth

Saturday, 3pm kick-off

TOUGH: Arter

Curve

He likes to get stuck in a bit more than the City slicker — and that can get him into bother.

He was sent off last month after he let his mouth get the better of him. The 26-year-old gobbed off at the ref and was given his marching orders under the new rules designed to stamp out dissent.

But he reckons it will be hard to keep his trap shut.

Arter said: "West Ham was a learning curve. We were told the new rules and how strict referees were going to be so it was silly of me.

"The manager doesn't want me to change the way I play, though. Anyone who watched me on Saturday against West Brom would have seen I put in five or six big tackles and that won't change.

"The manager has said if I change the way I play then I become a different player. I just need to cut out those silly bookings chatting back to referees."

TOFFEE: Valencia

Wait at an Enn for new blue Valencia

Everton v Middlesbro

Saturday, 5.30pm, on BT Sport 1

ENNER Valencia says he can't wait to get on the pitch for Everton.

He was on his way from West Ham to Swansea — until the Toffess came calling on deadline day.

He has moved to Goodison on a season-long loan with a view to completing a £14.5million permanent move.

Boss Ronald Koeman decided Valencia wasn't fit enough to go straight into the side.

But after a couple of weeks' training with the Toffees, he's in line for his debut against Middlesbrough.

Valencia said: "I had some options but when I heard about Everton and saw the quality of the players, nobody would say not to come here.

"It is a great opportunity to come here with great team-mates and an excellent opportunity to have a great year in the Premier League."

As for the last-minute move, Valencia added: "I got the news on the last day of the transfer market.

Investors

"I was very, very happy with the news.

"I was talking with other teams but the best option was Everton."

And he believes he's made the right move to a club that's going places.

Everton have new moneybags investors and are planning a new stadium on Liverpool's famous waterfront.

Valencia is excited to be part of it, saying: "This is a great club with excellent fans and I want to be on pitch with my new team-mates.

"I have enjoyed training with my new team-mates, it's different to my last team — it is a little bit harder."

Boro have made a decent start to the season but came a cropper against Crystal Palace last time.

Defender Daniel Ayala hopes to be given more time to adjust to life in the top flight.

He said: "We all want to prove we are Premier League players.

"When you get to the Premier League you have to realise there's always going to be more and better players coming in.

"You want to stay in the team."

BACK THE BAGGIES BEGS BOSS

TONY Pulis is begging Baggies fans to get behind the team.

The atmosphere at the Hawthorns has been tense as Albion struggle for points.

The travelling crowd turned on Pulis after the 1-0 reverse against Bournemouth on Saturday.

And he hopes the same thing won't happen at home against the Hammers.

The impending take-over of the club by Chinese investors is only adding to the air of unhappiness around the Black Country.

Pulis said: "I think, as a club, we are going to be in for a tough few month. I'm being as honest as I can. We all need to get together.

"We are the highest ranked team in the West Midlands and let's stay that way. We need the supporters.

"Let's get together and push the club on, it's a great club, and we've got to work to make sure we maintain the position we are in."

Pulis has been linked with a move to QPR amid rumours that the new owners will want to bring in a higher profile boss.

There should be money to spend in January but it's far from certain that the Welshman will be there to invest it.

He added: "The most important thing at the moment is concentrating on what we've got and getting those players to play to a level that will get us results.

West Brom v West Ham

Saturday, 3pm kick-off

Lacking

"Then once the window opens in January, having a better run at it."

One man the Baggies could do with hitting top form is Saido Berahino.

They are badly lacking goals and the striker has seen another transfer window open and close without him getting the move he clearly wants.

Now Pulis wants him to knuckle down and find his scoring touch.

The gaffer added: "The important thing for Saido is for him to get himself fit, playing well and scoring goals.

"That's important for him personally, never mind the football club.

"He's got a point to prove and he's got to do it with us over the next three or four months."

West Ham are looking to bounce back from their surprise 4-2 defeat at home to Watford where the Hornets fought back from 2-0 down.

PLEA: Pulis

PUMPED UP: Mick Phelan

Hull Phelan confident of Arse beating

Hull City v Arsenal

Saturday, 3pm kick-off

CARETAKER boss Mike Phelan says his players have the belief to upset Arsenal.

Hull have made a flying start to life back in the Premier League. They have taken seven points from their first four games — and were unlucky to cop their only defeat against Manchester United.

That's despite uncertainty over a possible take-over of the club and former gaffer Steve Bruce's late walk-out.

There were only 13 fit players for the first couple of games — but Hull have defied the odds and kept away from the bottom.

Now Phelan wants them to pull off another major feat by beating the Gunners.

He said: "Deep down, there is a bit of belief now and, hopefully, we can cement our place outside the bottom area of the league.

"If you get in that area, it can be difficult.

"We have to be in the frame of mind that we can go to the next level. Wherever you play, success is hard earned."

Tough

Phelan looks closer to being named permanent boss thanks to their impressive form.

Talks are going better than they were a couple of weeks ago when it looked as though he would be overlooked for the job.

He is looking forward to testing his skills against Arsene Wenger's side.

And three points would do his job prospects no harm at all.

Phelan said: "It will be a tough game against a top team full of excellent players.

"But the spotlight will be on Arsenal. We've conducted ourselves really well so far and we'll be up for this challenge.

"Our players are enjoying themselves in the Premier League and Saturday's game is another great one for us to take on board.

RESPECTED: Wenger

"It's about how we approach the game and it's important that we show our true selves, like we have done in recent games.

"We're into a difficult spell of fixtures, but the Premier League is a magnificent competition and the players have earned the right to be playing against top teams.

"Arsenal are a fabulous team with a certain way of playing football and they challenge you all of the time in different areas of the field.

"We know what we have to do and how we have to approach the game.

"Concentration and the mental side of the game are going to be important, but we also have to play in the game as well because we're not going out there just to accept what Arsenal want to throw at us.

"We have to make the game. We've done it in the past and I'm sure we'll do it again."

FRIDAY NIGHT FOOTBALL AT THE B

KLOPP: WE HAZ TO DO BETTER

Kop boss targets Eden as he looks for more Bridge glory

JURGEN Klopp is super confident of another win at Stamford Bridge — if he can keep Eden Hazard quiet.

By PAUL THOMAS

The Belgian put in one of his few truly world-class performances of last season in the 1-1 draw between the sides at Anfield.

He gave the home defence a torrid time and scored a cracking goal.

Klopp thinks his team should have done better against Hazard then and he is looking to keep him in check tonight.

The German said: "Hazard was in outstanding shape on that night at Anfield, although we did not defend him too well.

"We left the specific player in the challenge with him alone. That was not too nice or smart.

"We have to do better as he is back to 100%. They have a lot of key players. Oscar, plays his new role really well, Willian, what a plater, Kante brought in to play with Matic — lively, physically strong and experience.

"We need to improve because they are so experienced. They can play a game where nothing works but always stay cool. No-one cares.

"We are much younger and we need good moments in a game to take the next good moment.

"That's how it is in life. Experience, when you use it right, makes you stronger and I'd say that's Chelsea's only real advantage is they are more experienced.

"It's a challenge but I feel good when I think about it. Stamford Bridge is a good place and Friday night is a good time to play football."

Klopp has some big decisions to make after his team was so impressive in seeing off champions Leicester 4-1 at Anfield on Saturday.

He will hope to have Dejan Lovren back in place of Lucas Leiva in defence.

But it's further up the field

BRIDGE: CHELSEA v LIVERPOOL 8PM LIVE ON SKY SPORTS 1

HAZARD LIGHTS UP: The Belgian celebrates his goal at Anfield last season

where he has a headache. Brazil ace Phillipe Coutinho got back from international duty too late to face the Foxes.

In his place, Daniel Sturridge, Roberto Firmino, Sadio Mane and Adam Lallana really gelled as an attacking unit.

Many pundits would think Lallana was the weakest link in that front five.

But don't say that to Klopp, who is a massive fan of the unsung schemer.

He said: "Before the Chelsea game in October last year, I remember that I was really waiting for him.

"I knew him from Southampton. I had not seen too much of him for Liverpool but I knew he was a brilliant player and was really looking forward to working with him.

"Since we've been working together he's got even better.

"He can play different positions, he's quick, mentally strong and a smart player.

"He's very important for the team both as a person and as a player."

Klopp seems to get on well with Lallana — maybe they exchange the odd word over the garden wall because they live next door to eachother.

The German added: "He's a nice guy even as a neighbour. I have other good neighbours who are not as good footballers.

"He is a very smart guy and settled in Liverpool after what I heard was not an easy start. Now he is 100% settled."

Klopp is known for his antics on the touchline so it should be good watching him come up against emotional Italian Antonio Conte.

The Reds boss said: "Antonio looks quite emotional even when they don't score.

"He is involved in the game. He is a great manager, a successful manager – the Pep Guardiola of Juventus.

"He created a special kind of play there. He was very successful there and with the national team.

"I know about our respect for Chelsea and I'm sure for them it is the same. They know we're not easy to play."

GOOD START: Slimani

Flying Foxes geared up to down Clarets

Leicester City v Burnley

Saturday, 3pm kick-off

CLAUDIO Ranieri insists that his Leicester players will have come down from Cloud Nine before they play Burnley.

The Italian is worried about crashing back to earth with a bump after their fantastic 3-0 win against Bruges in their first Champions League contest.

The Foxes will face a very different — and more physical — challenge against the Clarets.

Ranieri said: "We have started well in Europe and that will give us confidence.

"Now we have to stay calm and put our mind to the next match on Saturday."

The game in Belgium saw club record signing Islam Slimani pull on a Leicester shirt for the first time.

The £30million deadline day buy from Sporting Lisbon made a big impact up front alongside Jamie Vardy.

But he's a very different kind of player to the England hitman.

He is more of an old-fashioned number nine with more physical presence and less pace than Vardy.

It will be a challenge to work the Algerian into the team.

But it's one that Ranieri is convinced his team is up to.

The Italian said: "It's important because now we have another target man, he can flick the ball and is dangerous in the area.

"We have to slowly discover him. He tried to do everything I asked. I am very happy with his performance. He has our spirit and that was important when I chose him."

CONFIDENT: Ranieri

EAGER: Bamford

Burnley have a new striker of their own in Patrick Bamford.

The 23-year-old is on loan from Chelsea and is desperate to make an impact at Turf Moor.

He said: "Up until last year I've always had a very good goal-scoring record, it's just unfortunate that last year I didn't get much of a chance.

"Hopefully I can add goals for the team.

"That's the main task now. In the next few games I'll see what I can do off the bench and see if I can push myself in to the starting XI and we'll go from there."

He admits that life at Burnley is very different to Chelsea.

Bamford added: "There's more intensity and it's physically more demandin.

"When you go in to any new training regime it takes time to adapt. I'm finally adapting so it's been good."

DAVID Luiz WILL make his second Chelsea debut in tonight's crunch clash with Liverpool.

The £34million deadline-day buy from Paris St-Germain starts after John Terry injured his ankle against Swansea last week.

Many pundits were shocked that Antonio Conte — who loves a proper defender — swooped for a man more than capable of dropping a clanger.

But he's putting his absolute faith in Luiz to replace the skipper.

Conte said: "David Luiz will play for the first time, again.

"We all know he is a good player and we have been working on his confidence since his return.

"We are working to put him in the best position for the team. He has been working on defensive situations when we are in possession of the ball".

After Klopp's warm words about the Italian, it could be a love-in on the touchline because Conte's a big fan of the Kop boss.

It's all very different from the waves of hate to Liverpool that used to come from Jose Mourinho.

Conte said: "I have great difficulty describing other managers but Jurgen is one of the best managers in the world.

"I don't know him too much, I have only faced him once before in a pre-season match but he is a fantastic manager and I will be glad to see him."

And Conte is expecting striker Diego Costa to cope with the spotlight.

He added: "Diego is growing in these situations — in the last game he showed great attitude.

"He is passionate but I want him to put his passion into the football in the right way.

"It is difficult to tell your player to be patient because I think he knows he is close to a ban.

"He is an important player but in our squad there are other players should he get a ban."

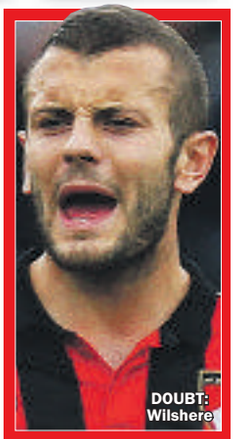
THUMBS UP: Luiz has had the nod for his second debut



DOUBT: Wilshere

Guess who has picked up a knock

By ANDY MILLOM

JACK Wilshere is a big doubt for Bournemouth's clash with Man City.

He has picked up an ankle knock after making just one appearance as a sub for the Cherries.

Bournemouth boss Eddie Howe *(below)* says there's very little chance of the on-loan Arsenal midfielder starting at the Etihad — and he's touch and go for the bench.

The gaffer said: "With the outstanding quality he has, there's no doubt about that.

"We'd like to see him in the team as quickly as possible.

"It's a delicate balance between rushing him into the team and the long term.

Happy

"We have to think of that. We want him to play a lot of games for us so we'll put him in when we think it's right."

Despite his legs of glass, Howe is happy with what he's seen from Wilshere since moving south from the Emirates.

He added: "I've been really pleased. I thought he had a big impact when he came on against West Brom.

"We had lost the full control we had had in the first half and I thought he wrestled that back for us. It was a big factor in us winning the game."
